October 20, 2026

The Honorable Milton Powers
County Judge
100 W. Bluff, Room 102
Woodville, TX 75979

Re: Director Charles Zimmerman

Dear Judge Powers:

I hope this letter finds you well. I am writing to advise you that Charles Zimmerman's three-year term as Director, representing Tyler County, on the Southeast Texas Groundwater Conservation District's Board, expires on December 31, 2026. As you may be aware, Mr. Zimmerman has decided to retire from the board of directors when his current term comes to an end on December 31, 2026. Mr. Zimmerman has been a part of the Southeast Texas Groundwater Conservation District now for 15 years and is currently serving as our Treasurer. His presence and knowledge base will be missed.

That being said, Tyler County will need to find a new representative, representing the forestry, agriculture, or industrial stakeholder group. I believe Mr. Zimmerman has a couple of recommendations regarding his replacement. Please note that the appointment will be for the 3-year term beginning on January 1, 2027 and ending December 31, 2029.

When your appointment is made, please forward confirmation of your decision to the District's office and be sure to include current contact information for the new appointee.

I look forward to hearing from you soon.

Sincerely,

John Martın
General Manager
