To: ESD #4 Board of Commissioners, Tyler County Judge Jacques L. Blanchette and Tyler County Commissioners

The purpose of this letter is to immediately tender my resignation as Commissioner/Treasurer of the Tyler County Emergency Service District #4. Since my retirement from my full time job, I have been out of state most of the time. I plan to continue to travel outside the state in the future and do not want to create any hardship on the ESD #4 Board of Commissioners and the Warren Community Volunteer Fire Department.

It has been an honor to serve.

Respectfully Submitted,
