To Whom It May Concern;

I regretfully resign from my position as TCESD # 1 Treasurer position. As a mother, I feel my after-school time would be best spent with my child and her continued success as a student. I appreciate this opportunity to serve my community and will be willing to help my replacement for as long as they may need. I will be attending the June and July meetings, but would like to have a replacement in place before the August meeting. Thank you again for this opportunity.

Regards,

Kelli Scroggins
