To: Mr. Mike Marshall
Tyler County Commissioners
300 W. Bluff
Woodville, TX 75979

Dear Sirs,

Once again, we would like to thank you for your help in our efforts to improve our ballpark. The upgrades we have been able to accomplish the past three seasons have drawn much notice and praise from many of our player's parents and families as well as local and visiting coaches and officials.

This past pre-season we prioritized repairing and improving our backstops, dugouts and infield area fencing. The fencing in these areas had deteriorated to point of being unsafe for our players. The fencing we used was a heavier gauge and was professionally installed. The results are noticeable and remarkable. Also, we upgraded our limited and worn out infield preparation equipment which results in quicker and smoother game transitions which helps due to our limited number of fields.

We have attached copies of invoices/receipts for expenses incurred for the major items/services required for these upgrades.

More than 300 girls and their families utilize our facilities each year and your help this season and in past seasons has generated a lot of positive energy and support for the League's effort to serve as a valuable resource to our county community.

Thank you,

Dave Youngblood
T.C.G.S.L. Board of Directors
