Hello Judge Blanchette,

Hope you are doing well. I just wanted to touch base with you regarding the District's new president. Hopefully you haven't taken any action yet, but not a big deal if you have. Who ever is appointed will need to finish the remaining 1 year on President Glenn's 3 year term. I would recommend you consider appointing the new president to finish out the current term, through December 31, 2019 and, to save time and effort, re-appoint for the following 3 year term which would be January 1, 2020 – December 31, 2022. If you would rather just appoint for the remainder of the current term, that would be perfectly acceptable (through December 31, 2019).

As always, should you have any questions, please do not hesitate to contact me.
