NET DATA

Cost Summary:
Tyler County

District Clerk
E-File Integration

NET DATA

April 30, 2021

Application Installation/Testing:
- E-File Texas 2-way Integration Application $ 2,500

TOTAL INITIAL SETUP / INSTALLATION   **$ 2,500**

Initial civil filings and all subsequent filings, plus any attached documents from E-File Texas are downloaded into the NET Data case management system and monies are applied based on the individual offices configuration/setup.

With the filing of an initial civil case, the system assigns a case number and the case number is then sent back to E-File Texas, so the filer can be notified allowing for a two-way integration piece.

Estimated timeline to install and test is 3-6 months depending on NET Data and E-File Texas installation schedules.

Annual Maintenance & Support Costs:
- E-File Integration $ 2,500/year

TOTAL ANNUAL MAINTENANCE COST: **$ 2,500/year**

All pricing and costs included are valid for 60 days from proposal date unless extended in writing by NET Data.
