Good Afternoon Leann,

Thank you for speaking with me regarding the annual renewal of the Work Based Learning Agreement between your business and Workforce Solutions Deep East Texas. We are grateful for the continued partnership.

As advised, I have attached the single page renewal sheet, which simply states that we are renewing the original agreement that was previously signed on the specified date.

If there are any necessary changes to the agreement such as supervisor names, pay rates or job description/titles; please take a moment to complete the middle section of the form. If no changes are needed for the renewal, if you would please sign at the bottom and include your full name and title, then return the document.

Once I have received the signed renewal form, I will review and have the renewal approved by Workforce Solutions and submit the final copy to you in a timely manner.

If you have any questions regarding the WBL Agreement, the Renewal Form or any business services questions that I can assist with, please feel free to reach out.

Sincerely,

Katheryn Hall | Business Engagement Representative
