To: Commissioner's Court

Ref: Changing Days and Hours of Office

I am requesting that my office hours be changed to Monday through Thursday from 7:30 am to 6:00 pm and Closed on Friday's and for any other office that wants this change (with a lunch hour). I am requesting this due to rising gas prices (and other economic rising in prices) that my employees and all County Employees have to pay. This change would help not only them but I believe the Citizens of this County. There have been numerous times people get off work and can't make it to my office before 4:30. I believe this change will benefit the people that have to take a day or half a day of work off to take care of their Court business.

Your Consideration is appreciated.
