To: Tyler County Commissioners

Dear Sirs,

Please find attached receipts for expenses incurred by the softball association for improvements and upgrades to the league facilities for 2023.

We are extremely grateful for your assistance in allowing us to improve our ballpark and provide a better, safer, and more appealing environment for our players and their families.

More than 300 girls and their families utilize our facilities each year and your help has generated a lot of positive energy and support for the League's effort to serve as a valuable resource to our community. Thank you for your investment in the future of this organization for our youth.

Thank you,
