Hello, this is Trevor with adacs wow program. I believe you spoke with my co worker Linda Jones on the phone a while back. We are looking to host some bingo games in the 7 different counties we cover and would love to host some at the nutrition and senior center. Our prizes consist of little food bags, or household cleaning items, along with a \$25 walmart giftcard that we draw from everyone that has signed in and participated in bingo. We would love to get on the schedule to come out and visit. Thank you
