Re: Employee Wellness Incentive Award

Members of the Court,

I am requesting the Commissioner's Court consider and approve continuing the Healthy County Employee Incentive to help offset future insurance premium increases and promote the wellness of all of our county employees.

The county will pay ½ of the normal visit co-pay of \$25 for each employee who get their wellness check-up during the County Check-Up available days at the Tyler County Hospital Clinic. Monies from the Healthy County benefit/reward the county received this year will be used to pay for the program.

Tax dollars will be used to pay for the employee incentive program.

Respectfully,

Leann Monk,
Tyler County Treasurer,
HR Administrator
