Good morning,

Last year we talked about renting an avgas fuel truck from you. We were up against a deadline and could not rent it in time. We are looking at October 25. Is there a chance we could set up a rental for that date? I will look forward to hearing from you.

Best regards,
Joseph

Do you ever lease out the trucks for a yearly lease?

Hi Joseph,

Great to hear from you sir
We currently have 2 Avgas trucks available. This unit listed below...and another one very similar to this one.
For the 2nd avgas truck, we still have to rebuild the engine and go through our refurbishment process.

With that being said, I believe we can accommodate your request.
For this year, are you interested in renting the truck for 2 weeks? Same as last year?

Regards,
Doug Salinas
