COMMENTS BY COURT MEMBERS PERTAINING TO MATTERS OF COUNTY GOVERNMENT:

Commissioner Blacksher- spoke to someone with Woodville school district about the potential acquisition of property beside JP office for parking lot and the gym for a shelter and a building for workforce development. **Judge Powers** had also spoken with someone to use the gym for a shelter and also for county events. He didn't think the county could share control of the building due to liabilities. **Sondra Williams** suggested a public use agreement. Judge Powers reported Colmesneil ISD had been the only school, and Woodville Methodist Church, to "open it's doors" to be used as a shelter. **Commissioner Marshall** added the need for first responders and utility workers need a place to stay. American Red Cross will provide food and cots.

Judge Powers- reported a \$350,000 grant available starting January 2026 for ambulance services. He recommended getting Sondra Williams to assist due to her knowledge of the services needed. Sondra stated Tyler County is considered a "roll-over" county. Tyler County does not pay subsidiaries and therefore a unit is not dedicated to Tyler County. **Commissioner Hudson**- stated a good thing and need to pursue, 'as long as everyone in your family is healthy no one thinks about it but when you have to make that call in a life-or-death situation then it hits home.'
