WPI POWER GENERATION Proposal

CORPORATE BRANCH - 12320 SOUTH MAIN ST
HOUSTON, TX 77035

Region: HOUSTON
Division: FIELD SERVICE

For: TYLER COUNTY EMS
201 VETERANS WAY
WOODVILLE TX, 75979

Waukesha Pearce is pleased to provide this quote to Diagnose communications issue between the unit controller and ECU on your generator located at 201 VETERANS WAY, WOODVILLE, TX. SN-91355703005570300 as per your request. This estimate reflects the cost of replacing the Generac Unit Controller (\$3,588.71). **If the Generac Unit controller is found to not be the cause, it will not be replaced and the cost will be removed from the final invoice.**

Any additional work not included will be quoted and pre-approved by the customer. Unless otherwise noted this quote is for normal business hours. Also, this price does not include any applicable taxes. This quote will remain valid for 30 days. If you require any additional information, please call or email.

Total Investment: \$5,584.71
