Re: Jennifer Miller, Commissioner ESD#3

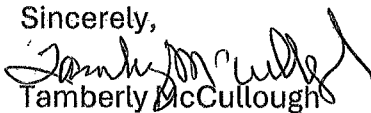

Dear Commissioners:

This is to confirm that Jennifer Miller who was on the ESD#3 Board has resigned as Treasurer and also from the board. The resignation from Treasurer was sent in an email and her resignation from the board was given to Jonathan Phillips. I will include a copy of her text.

The following text was sent to ESD#3 Commissioners July 22, 2025 by Jennifer Miller. "I believe at this point and time I will need to resign from the treasurer position. The financial records are completely useless to me and make very little sense to me. My suggestion would be to reach out to Yvonne Goss and have her get the records into a format easily understood by all members. I don't have enough time away from my job to warrant the amount of time required to dig through the records." Jennifer then send a message by Shady Grove Fire Chief that she was resigning from the ESD#3 Board.

It is my understanding that Sue Shaw has made several attempts to contact Jennifer to ask for a resignation letter and Jennifer has not responded to the requests.

Sincerely,

Tamberly McCullough  
President  
ESD#3, Tyler County
