RE: 2024 Disasters Local Communities Program Invitation to Apply for **Either** Project 24D-LCP-676-1344 or 24D-LCP-676-1346

Dear Judge Powers:

The Texas General Land Office (GLO) has completed the review of all submissions from the call for projects for the 2024 Disasters Local Communities Program (LCP). As a result of this review, the GLO is inviting Tyler County to apply through our Texas Integrated Grant Reporting (TIGR) Portal for funding of one of their project submissions.

Because both projects received the same score and have the same poverty rate as a tie breaker, Tyler County may select which project to move forward with in the TIGR Portal.

The TIGR Portal application will be required to match the entity-selected call for projects submission including the following:

Required Field	24D-LCP-676-1344	24D-LCP-676-1346
CDBG-DR Amount	\$2,000,000.00	\$1,100,000.00
Activity Type	Street Improvements	Street Improvements
Non-CDBG-DR Leverage Amount	\$100,000.00	\$55,000.00
National Objective	Low- and Moderate-Income	Low- and Moderate-Income
Project Service Area	Tyler County	Tyler County
Contract Completion Timeline	36 months	36 months

The application submission must also contain confirmation that an annual audit (Annual Comprehensive Financial Report) has been completed for the most recently completed fiscal year. Changes between the initial call for project submission and the project application will jeopardize project eligibility.

The LCP application will be available on the TIGR Portal on Monday, April 13, 2026. The application submission is due Friday, June 12, 2026, at 5:00 p.m. Failure to submit the application by the deadline will forfeit this invitation. Additional details on the application process may be found at <https://www.glo.texas.gov/disaster-recovery/24DLCP>. To avoid delays with application submission, please ensure that all of the appropriate individuals for your jurisdiction have access to the TIGR Portal. Access must be requested by the jurisdiction through the TIGR Access Form located on the GLO's website. Please contact the GLO via email at cdr.infrastructure@recovery.texas.gov with any questions regarding the Local Communities Program.

To accept or decline this invitation to apply for the LCP, please sign and return the enclosed form by Monday, April 13, 2026. If the enclosed form is not returned by the deadline, the invitation to apply will be withdrawn.

Sincerely,

Heather Lagrone, Senior Deputy Director
Community Development and Revitalization
