

COMMISSIONER'S COURT AGENDA REQUEST

May 21, 2026

Tyler County 911 Addressing
116 S Charlton St
Woodville, Texas 75979

Consideration, discussion, and ultimately approval of:

DETCOG and County 911 standards require naming a private driveway as a private road if it serves three or more structures or households. This ensures emergency vehicles can quickly locate multiple addresses on the same property.

Private driveway off County Road 4005 was assigned road name Richmond Rd. This "road" does not affect County Road 4005.

Thank you.
