Re: Employee Wellness Incentive Award

Members of the Court,

I am requesting the Commissioner's Court consider and approve continuing the Healthy County Employee Incentive to help offset future insurance premium increases and promote the wellness of all of our county employees.

I am requesting that the county pay ½ of the normal visit co-pay of \$30 for each employee who gets their wellness check-up at the Tyler County Hospital Clinic after the November 1st annual renewal. Additionally, for those employees who get their wellness exam during the months of November and December, I am asking for the court to approve eight hours of vacation leave. For those employees who receive their wellness visit after December 31, 2026, I am requesting the court approve eight hours of annual sick leave.

Respectfully,

Leann Monk,
Tyler County Treasurer,
Healthy County Administrator
HR Administrator
