GRANT AGREEMENT

Part I - Offer

Date of Offer: March 12, 1975

742-4-35098

TAC Project No: 742-4025180

TO: County of Tyler, Woodville, Texas
(Herein referred to as the "Sponsor")

FROM: The State of Texas, acting through the Texas Aeronautics Commission
(Herein referred to as the "Commission")

WHEREAS, the Sponsor has submitted to the Commission an application for grant dated October 11, 1974, for a project for development of the Tyler County Airport Airport, together with plans and specifications for such project which application for grant as approved by the Commission is hereby incorporated and made a part of this grant by reference so as to have the same effect as though repeated herein; and

WHEREAS, the Sponsor certifies that it has available in cash and/or in other acceptable form the resources for the undertaking and successful completion of this project; and

WHEREAS, the Commission has approved a project for development of the Airport (herein called the "Project") consisting of the following described airport development:

Extention of lighted runway from 3425'
to 4000'; overlay of existing pavement
and other items.

YOUR COPY

NOW THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Texas Aeronautics Commission Act as amended, and in consideration of (a) the Sponsor's adoption and ratification of the conditions comprising this Offer as hereinafter provided, and (b) the benefits to accrue to the State of Texas and the public from the accomplishment of the Project and the operation and maintenance of the Airport as herein provided, THE TEXAS AERONAUTICS COMMISSION, FOR AND ON BEHALF OF THE STATE OF TEXAS, HEREBY OFFERS AND AGREES to pay, as the State of Texas' share of the allowable costs incurred in accomplishing the Project, 50 per centum of all allowable costs, or the maximum obligation of the State payable under this Offer, whichever is the lesser.

This Offer is made on and subject to the following terms and conditions:

1. The period of this agreement shall be twenty (20) years from the date of Sponsor's acceptance.
2. The maximum obligation of the State of Texas payable under this Offer shall be \$31,000.
3. The Sponsor shall:
 - a. Begin construction on or before May 1, 1975. Failure to do so will constitute just cause for termination of the obligations of the State of Texas hereunder by the Commission, unless at the Sponsor's request, the Commission grants additional time in writing.
 - b. Carry out and complete the Project without undue delay and in accordance with the plans and specifications which are incorporated herein. The Commission has the option to withhold the payment of any State funds unless the plans and specifications have been completed and approved by the Commission.
 - c. Make every reasonable attempt to complete the Project on or before September 1, 1975.
4. The allowable costs of the Project shall not include any costs determined by the Commission to be ineligible for consideration as to allowability.

5. Payment of the State of Texas' share of the allowable project costs will be made pursuant to and in accordance with the established procedures approved by the State Comptroller and the Commission. Final determination as to the allowability of the costs of the project will be made at the time of the final grant payment.
6. The Commission reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor. The acceptance period cannot be greater than 45 day after issuance unless extended in writing by the Commission.
7. The Commission will not become a part of any contract or commitment which the Sponsor may enter into or assume in carrying out this Project. Progress payment from the grant will be paid to the Sponsor periodically as development is satisfactorily completed. The Sponsor in turn shall settle all project encumbrances and financial obligations.
8. Approximately ten (10) per cent of the total grant will be withheld by the Commission, to be paid only after all work has been completed, inspected and approved by the Commission, or its designated representative.
9. Any and all fees collected for use of the airport or navigational facilities constructed in part with funds granted herein shall be reasonable and non-discriminatory. The amount realized from fees so collected will be used solely for the operation, maintenance and upkeep of the airport, and for further development of the airport as funds permit. (See also V. T. C. S. Art. 46d-11)
11. The Sponsor will, if requested by the Commission, on September 1 of each and every year submit to the Commission an itemized statement of revenue received from the airport and expenditures made thereon for the preceding year.
11. All future development of the airport will be consistent with a current master airport layout plan, approved by the Commission and maintained by the Sponsor. A reproducible copy of said plan, and all subsequent modifications thereto, shall be filed with and approved by the Commission.
12. Where the authorized airport development project includes the installation of lighting, the Sponsor hereby agrees unconditionally

that such lighting system will, whether automatically or manually, be in operation from sunset to sunrise. VOL 002 PAGE 152

SPECIAL CONDITIONS:

13. None

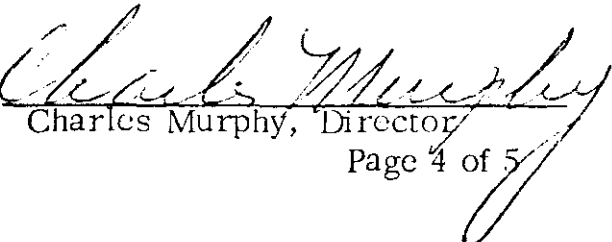

Breach

Of primary importance to the Commission is compliance with the terms and conditions of this agreement. If, however, after all reasonable attempts to require compliance have failed, the Commission finds that Sponsor is unwilling and/or unable to comply with any of the terms and conditions of this agreement, or the application incorporated herein, the Commission may, in its discretion, require a pro rata refund of money granted herein, depending upon the time of breach.

The Sponsor's acceptance of this Offer and ratification and adoption of application for grant incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and said Offer and Acceptance shall comprise a Grant Agreement, constituting the obligations and rights of the State of Texas and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project, but in any event not to exceed twenty (20) years from the date of said acceptance.

STATE OF TEXAS

TEXAS AERONAUTICS COMMISSION

by: 
Charles Murphy, Director

Part II - Acceptance

The County of Tyler does hereby ratify and adopt all statements, representations, warranties, covenants and agreements constituting the described Project and incorporated materials referred to in the foregoing Offer, and does hereby accept said Offer, and by such acceptance agrees to all of the terms and conditions thereof.

Executed this 14th day of April 19 75.

GUARANTEE PROVIDES:

- A. Mechanical adjustment, parts and service one (1) year from date of sale.
- B. Mechanical refrigerating system guaranteed five (5) years from date of sale.

A MAINTENANCE AGREEMENT, which is renewable each year, may be purchased for \$21.95 provides the following service by authorized Sears technicians:

- A. Adjustments, parts and service for the life of the Agreement.
- B. We will, at customer's request and convenience, clean evaporator and condenser; install a new filter; if unit has disposable type filter; check operation of all controls; adjust or replace parts if needed.
- C. Unlimited calls for non-technical service such as replacement of blown fuses.

An M.A. purchased at the time of original sale provides the above service free the first year. For example, an M.A. purchased April 7, 1975 would not expire until April 7, 1977. It should be noted that if the M.A. is not purchased until a year from date of sale, the above M.A. coverage is not provided the first year.
