STATE OF TEXAS X
COUNTY OF TYLER X

KNOW ALL MEN BY THESE PRESENTS:

WHEREAS, the Commissioners' Court of Tyler County, Texas in performance of its duties as Board of Equalization of said County, has contemplated the employment of skilled experts possessing special skill, scientific knowledge and technical ability and equipment, so as to make appraisals and valuations of certain properties enumerated herein, located in Tyler County, and subject to taxation therein, said experts to compile and furnish records and taxation data showing the appraised values of all such properties coming within the jurisdiction of the Commissioners' Court of said County, sitting as a Board of Equalization, for the years 1977 and 1978, for the convenience, use and information of such Board in equalizing the valuations for the tax purposes of properties within the jurisdiction of said Commissioners' Court, sitting as a Board of Equalization, and covered by the terms of this contract, as compared with the valuations for tax purposes of other properties in said County; and

WHEREAS, the Commissioners' Court of Tyler County, Texas, now finds and declares that there is a necessity that such Commissioners' Court, sitting as a Board of Equalization, have available to it, as nearly reliable and accurate taxation data on and appraisals of the properties subject to the terms of this contract as are possible under the circumstances, so as to enable such Commissioners' Court, sitting as a Board of Equalization, to discharge its constitutional and statutory duty of following the Constitutional mandate of uniformity and equality of taxation in said County, as nearly as may be possible; and

WHEREAS, it has been ascertained and determined that Truett F. Pritchard & Associates, Inc., of Harris County, Texas, has special skills and ability and scientific and technical knowledge and equipment, so as to enable it to compile taxation data on and make appraisals and valuations of the properties subject to the terms of this contract for equalization purposes; and it is the purpose of the Commissioners' Court of said County, to employ the services of Truett F. Pritchard & Associates, Inc., for said purposes;

IT IS, THEREFORE, AGREED by and between Tyler County, Texas, acting herein by and through its duly authorized Commissioners' Court, herein sometimes called the "Commissioners' Court:", and Truett F. Pritchard & Associates, Inc., herein sometimes called "Company", of Harris County, Texas, as follows:

I.

Company shall gather and compile taxation data on all oil and gas producing properties, public utilities, pipelines, railroad properties, manufacturing and industrial properties, and personal properties used or employed in connection therewith, situated in Tyler County, Texas, and subject to taxation therein, all said property coming within the jurisdiction of the Commissioners' Court of said County, sitting as a Board of Equalization, said appraisals, compilations and records to show the appraised value of all such properties in said County as of January 1, 1977 and 1978.

II.

Company agrees to secure all information possible and available for the use of the Board of Equalization, to assist in enabling such Board to (1) determine the proper valuations to be fixed for and upon the properties subject to the terms of this contract, and (2) to equalize the valuations of the same with all other classes of property assessed and valued for taxation in said County. The Company shall compile such taxation data and information as shall be of aid and benefit to the Board of Equalization of said County in accomplishing the foregoing.

III.

It is distinctly understood and agreed that it is the paramount intention of the parties hereto, any word, phrase or sentence hereof to the contrary notwithstanding, as follows:

(1) The Commissioners' Court in the execution of this contract does not contemplate the performance by Company of any services or the supplying by Company of any materials, as contemplated or provided by the provisions of the Acts of 1931, 42nd Legislature, Page 383, Chapter 229 (commonly referred to as Article 726a, Vernon's Annotated Civil Statutes), nor as contemplated by the provisions of Article 7335, Revised Civil Statutes of Texas, 1925, nor as contemplated by the provisions of the Acts of 1930, 41st Legislature, 4th Called Session, Page 9, Chapter 8 (commonly referred to as Article 7335a, Vernon's

Annotated Civil Statutes), it being the intention of the parties that no such system as contemplated by any of such legislation is intended hereby and this is, and is found by the Commissioners' Court of Tyler County, Texas, not to be, a contract in connection with the collection of delinquent taxes.

(2) This contract is not intended to be, and shall not be deemed to be, a tax ferret contract, it being the intention of the parties that the Commissioners' Court does not desire to and does not obligate Company, and Company does not desire to and is not obligated, to ferret out, locate, identify or discover any properties to be added to the tax rolls of said County. It is agreed that the only properties to be added to the tax rolls (rendered and unrendered) of said County will be those placed thereon by the Tax Assessor of said County, and that the only properties within the classes of property subject to the terms of this contract which shall be appraised by Company under the terms hereof, shall consist of properties presently appearing on the tax rolls of said County, or hereafter assessed for taxes and placed on said rolls by the Tax Assessor of said County. However, in the event that Company, during the course of the performance of the services provided for hereunder, locates, identifies or discovers any property which is not on the tax rolls, Company agrees to provide the Tax Assessor of said County with the available information relating thereto.

(3) It is not the intention of the parties hereto, and particularly not the intention of the Commissioners' Court of Tyler County, Texas, to invade or usurp the powers of the Tax Assessor of said County, the Commissioners' Court of said County recognizing that it has no power, authority, or jurisdiction to make assessments of properties for tax purposes.

(4) It is expressly the intention of the Commissioners' Court of Tyler County, Texas, to exercise its powers as such Commissioners' Court and as a Board of Equalization, under the provisions of Articles 7206, 7211 and 7212, Revised Civil Statutes of Texas, as amended, and this contract is made for the purpose of enabling such Commissioners' Court to perform its duties as provided in said Articles, and also to perform its duties under the provisions of Section 1 of Article VIII of the Constitution of the State of Texas, and under the provisions of Section 18 of Article VIII of the Constitution of the State of Texas, pursuant to authority therein contained, as well as authority

contained in the provisions of Section 18 of Article V of the Constitution of the State of Texas.

(5) The Commissioners' Court of Tyler County, Texas, as part of its deliberations in the adoption of this contract, finds that special skill, knowledge and ability and scientific and technical equipment are essential to the performance of the services by Company under the terms of this contract, and that the employment of said Company constitutes the employment of skilled experts in special instances, to assist the Board of Equalization of Tyler County, Texas, in arriving at fair, just, impartial and equal and uniform valuations of properties for tax purposes in said County.

IV.

Company agrees to meet with the Commissioners' Court of Tyler County, Texas, sitting as a Board of Equalization, in due course of the meetings of such Board for the years 1977 and 1978, and to furnish said Board with all appraisals and valuations compiled and prepared by Company under the terms hereof.

V.

For and in consideration of the skilled services, technical knowledge and experience of Company in the performance of the duties hereunder, and in consideration of the information given and assistance furnished to said County in undertaking to value and equalize the values of the said properties properly coming before it for consideration at its equalization hearings in the years 1977 and 1978 County agrees and obligates itself to compensate Company as follows:

For the services herein agreed to be performed, Company shall receive the said sum of TWENTY FIVE HUNDRED AND NO/100 (\$2,500.00) Dollars per year, for the years 1977 and 1978, to be paid out of the lawful funds of Tyler County, Texas. Said payments to be made upon adjournment of the Board of Equalization in the years 1977 and 1978.

VI.

Said Commissioners' Court hereby specifically contracts and obligates itself to, at any time same may become necessary, pass and enter of record such further order or orders as may be lawful, requisite and necessary to fully authorize and lawfully facilitate the payment of all sums due Company for performance of the services provided for hereunder.

VII.

VOL 3 PG 202

It is distinctly understood and agreed that Company does not undertake to furnish or supply to said Commissioners or said County legal services of any kind or character, and all of such services are expressly excluded from the terms of this contract.

VIII.

Company agrees that said Commissioners and said County will in no way be obligated or indebted to Company, or its agents, servants or employees, for salaries, expenses, materials or other charges, except only as herein specifically otherwise provided.

IX.

Company will supply testimony supporting appraised values supplied the County under the terms hereof in all hearings of the Board of Equalization of Tyler County, Texas, for the years 1977 and 1978, and in the event such values shall be attacked in any Court of competent jurisdiction, Company shall supply testimony supporting the appraised values in any Court of competent jurisdiction with respect to appraisals and valuations supplied the County and attacked in a Court of competent jurisdiction.

X.

It is further distinctly understood and agreed that if any word, phrase, sentence, paragraph or provision of this contract shall be, for any reason, declared or adjudicated to be invalid, such declaration or adjudication shall not affect the validity of the remaining portions hereof.

XI.

The execution of this contract and the payments herein provided for are authorized by proper Resolution and Order, duly adopted by the Commissioners' Court of Tyler County, Texas, and entered upon the Minutes of such Commissioners' Court, a copy of said Resolution and Order being attached to this contract and by reference incorporated herein and made a part hereof.
