Fully-featured. And probably the best riding mower value available today.

832R Front Engine Rider

Model 57375, Recoil Start

Quality-of-cut excellence . . .

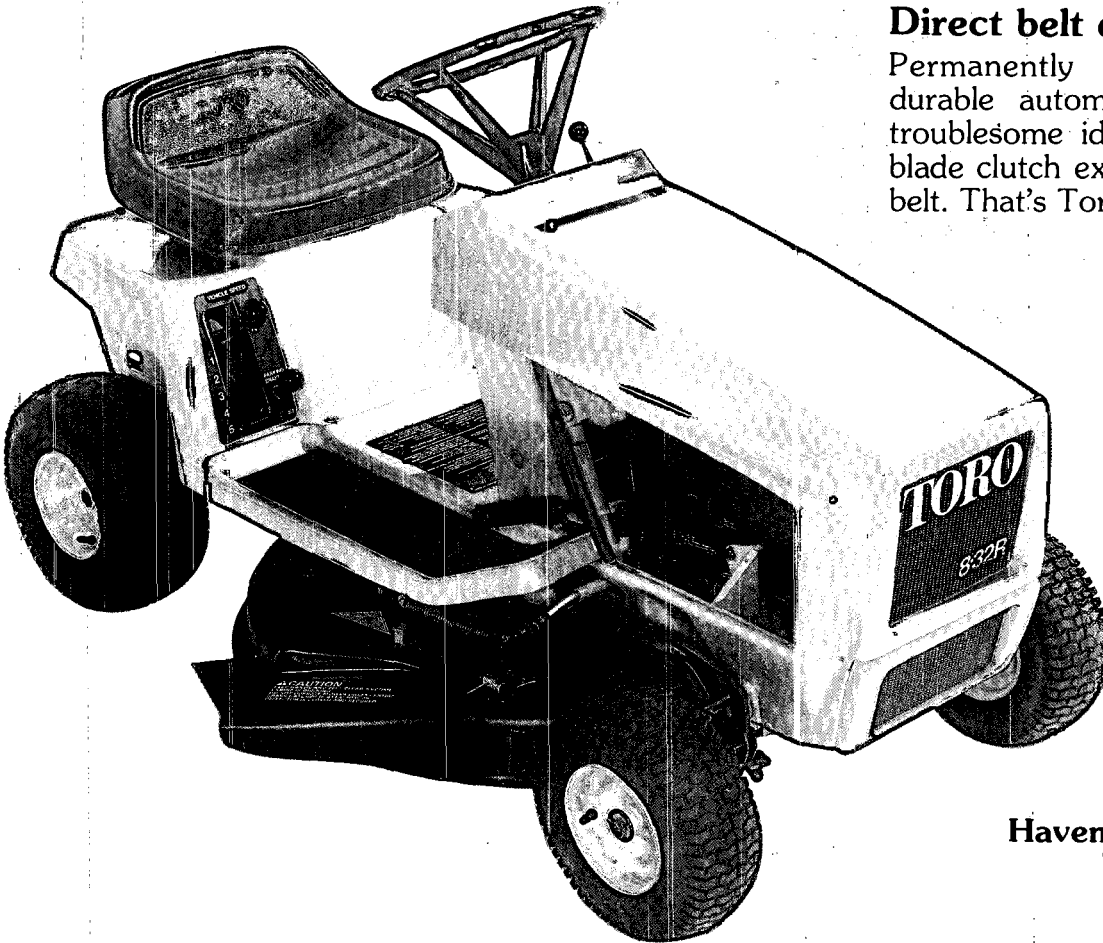

Cutter blade has up to 4 chances to slice each blade of grass. Floating deck virtually eliminates scalping. That's the Toro quality cut.

Operating comfort . . .

The smooth ride starts in the deep cushioned, high-back seat. Counter-balanced Briggs & Stratton engine. Automotive type clutch is smooth shifting, front axle absorbs bumps. And there's no center hump to bump. That's Toro operating pleasure.

Direct belt drive . . .

Permanently lubed transaxle has durable automotive type clutch, no troublesome idler pulley. Spring-wrap blade clutch extends life of blade drive belt. That's Toro low maintenance.

Haven't you done without Toro long enough?®

1485⁰⁰

The ultimate riding mower.
Because it's consumer engineered, by Toro.

832/1132 Front Engine Rider

→ 8 hp Model 57300, Key-Lectric® start
11 hp Model 57360, Key-Lectric start

Performance . . .

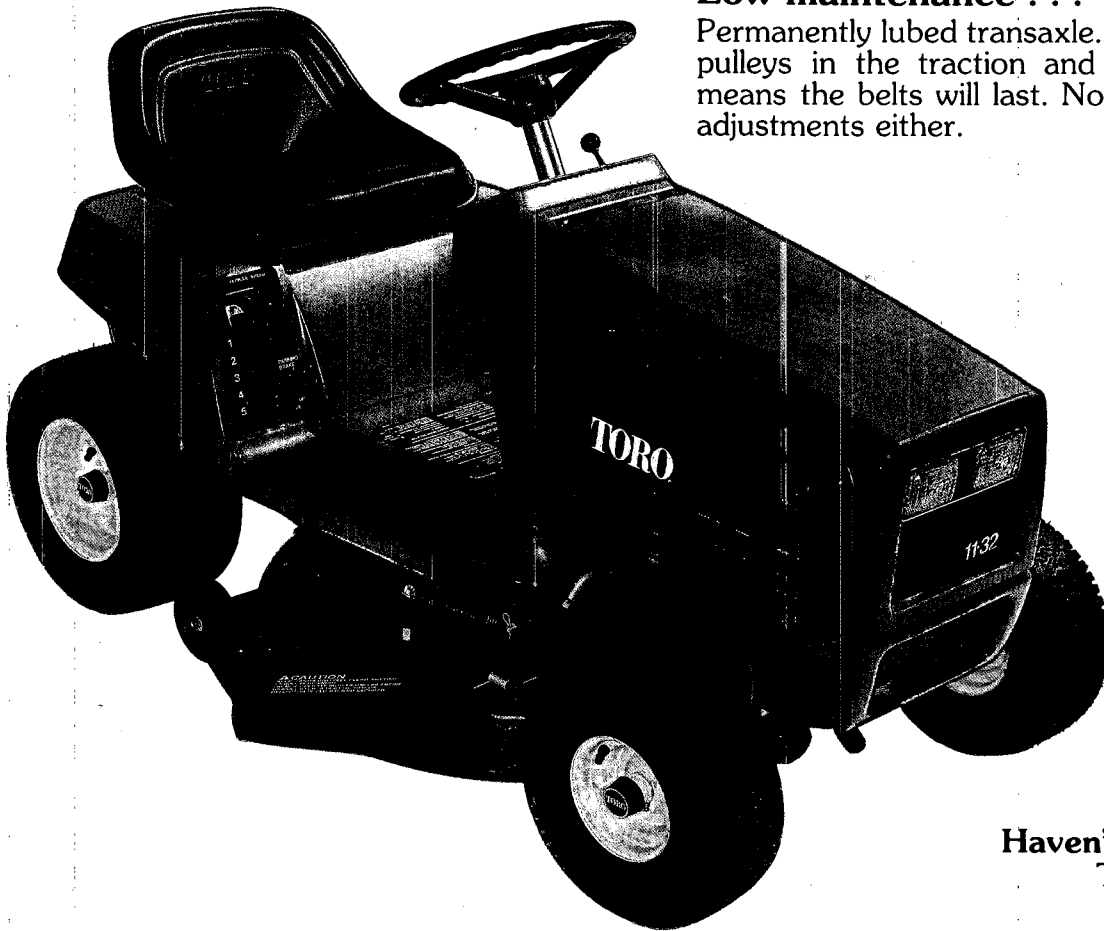

Counter-balanced 8 and 11 hp engines are coupled to smooth shifting automotive type clutch. 32" floating deck for a smooth, even cut.

Ultimate in comfort . . .

Deep cushioned seat and bump absorbing front axle. Plus there's no center hump to bump. And Key-Lectric starting is, indeed, the ultimate.

Low maintenance . . .

Permanently lubed transaxle. No troublesome idler pulleys in the traction and blade drive systems means the belts will last. No constant idler pulley adjustments either.

Haven't you done without
Toro long enough?®
