Gentlemen:

We are pleased to quote the following equipment:

MASSEY FERGUSON MF 50 C BACKHOE LOADER

ENGINE: The beefy Perkins Diesel engine is a high-performance economical engine that gives you fast starting in any weather. Its dry sleeve design eliminates block boring and cuts maintenance costs. This MF 50 C Backhoe Loader powered by a 4-cylinder, 203.5 cu in displacement, 61 net H.P. Flywheel @ 2200 RPM Perkins Diesel.

ELECTRICAL: Twelve volt with alternator; two 60-amp batteries.

DRIVE TRAIN: Instant Reverse Transmission . . . two, change-speed gears compounded by a planetary reduction providing 4 speeds forward and 4 in reverse. Clutch packs are hydraulically actuated and power shifted. Torque converter provides infinitely variable speeds in each gear range and "Hands-off" control of forward and reverse shifting.

BRAKES: Long-lived, wet disc, 8-3/4 in diameter, providing 344 sq in of braking area - biggest in its field.

FINAL DRIVE: Planetary units provide final reduction, greater torque capacity, reduced drive train shock. Differential Lock - hand operated.

STEERING: Power Steering Type . . . full time, independent Hydrostatic system provides shock free steering with no kickback. Permits manual steering control even when there is no engine power.

LOADER: The MF 50 C Loader is a rugged, high capacity unit with ample breakout force and lift capacity to meet the demands of the most severe jobs. This loader is equipped with 1 cu yd Heavy-Duty Bucket 84 in wide; Lift capacity at Full Height 4500 lbs; Breakout Force 7300 lbs.

BACKHOE: The MF 50 C Backhoe is a high-performance unit which can tackle any digging job . . . and stay on the job. Easy-to-use controls, hydraulically locking stabilizers and instant response all combine to provide fast, safe, convenient operation. This Backhoe has an IEMC rated digging depth of 14 ft 2 in, a 180 degree swing arc, and bucket digging force of 8850 lbs with a High-Capacity 24 in Bucket.

LOADER AND BACKHOE

HYDRAULIC SYSTEM: Open center, common to backhoe and loader. Reduces heat, requires less horsepower, and provides more efficient operation. Pump-gear type 28 GPM @ 2000 RPM @ 2125 psi.

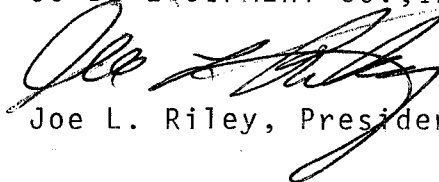

WHEELS AND TIRES: Drive 19.5 L x 24 - 8 PR R 4
Steer 11 L x 16 - 8 PR Laborer

This Massey Ferguson MF 50 C Backhoe Loader has a Roll Over Protective structure with seat belts, and meets or exceeds all existing governmental requirements including OSHA.

This Backhoe Loader can be delivered within 30 days.

PRICE: f.o.b. Woodville \$23,997.00

PROPOSAL BLANK

BEAUMONT, Texas, JUNE 14, 19 79

To the Honorable { County Judge and Commissioner's Court
Mayor and City Council
TYLER County or City,
TYLER, Texas

Gentlemen:

We offer to sell you delivered at TYLER, Texas, and make delivery as soon as possible:

WE ARE PLEASED TO QUOTE THE FOLLOWING:

OUR NEW 260 A BACKHOE LOADER WHICH MEETS OR EXCEEDS YOUR SPECIFICATIONS.

WE CAN DELIVER THIS HOE TO YOU, NEW, AND FROM OUR STOCK IN THE BEAUMONT STORE, IMMEDIATELY, SUBJECT TO PRIOR SALE.

INTERNATIONAL HARVESTER NOW EXTENDS A FULL YEARS WARRANTY ON THIS PARTICULAR HOE (PARTS AND LABOR.)

SOMETHING TO THINK ABOUT!

THE ATTACHED PAGES NUMBERED TWO (2) THROUGH FOUR (4) LIST THE SPECIFICATIONS AND STANDARD EQUIPMENT ON THE 260 A BACKHOE.

MACHINE PRICE AND DELIVERY WILL BE FOUND ON PAGE FOUR (4).

Payable to Plains Machinery Co., BEAUMONT, Texas, as follows: TOTAL AMOUNT

CASH PAYMENT \$ Legal Warrants, or Lease Contract, Payable as shown in schedule above.

NO WARRANTY: It is agreed that Plains Machinery Company, hereinafter called company, makes no warranty, either expressed or implied, with respect to any property covered by this order, and without limiting the foregoing, it makes no warranty, either expressed or implied, with respect to the quality of such property, or the fitness thereof for the purposes that buyer is purchasing same; and company disclaims any liability for direct, indirect or consequential damages or delay resulting from defective parts or faulty engineering thereof. Provided, however, if any of the property covered by this order be used property and this order elsewhere contains expressed written or typed warranties or warranty with respect thereto, said written or typed warranty or warranties, strictly construed in favor of company, shall solely apply.

If there are any manufacturers' warranty or warranties with respect to the property covered by this order they are expressed and not implied, and it is agreed that company does not and cannot, as against the manufacturers, enlarge the terms of said warranty or warranties, if any, over what they now are. To the extent, and solely to the extent, that company can now do so it agrees that the property to be sold under this order shall be sold under the manufacturers' warranties or warranty, if any, now applicable to said property, and that said warranties or warranty, if any, shall extend to said property. For the duration of any such manufacturers' warranties or warranty company shall as a gratuity, and not otherwise, assist buyer in obtaining any adjustment thereunder that buyer thinks he is entitled to. Buyer expressly waives the furnishing to him prior to the actual sale and delivery of the aforesaid property to him the manufacturers' warranties or warranty, if any, applicable thereto; but upon the completion of the sale and upon buyer's request that it do so company will obtain for seller the manufacturers' warranties or warranty, if any, applicable to the property covered by this order.

No agent or representative of company has the power or authority to vary the terms hereof, and it is agreed that all prior conversations, negotiations, agreements and representations relating to this order and/or to said property are merged herein.

This order is subject to acceptance by the management of company. When accepted, it will be considered a firm order and not subject to cancellation.

The purchaser agrees that this order, which he has read and to which he agrees, constitutes the entire agreement relating to the sale of said property, and that he has received a true copy thereof.

Respectfully submitted,
