VOL 008 PAGE 359

Dear Judge Sturrock:

We have received a request from Commissioner Kenneth Lowe of Precinct 2 for permission to remove iron ore gravel from Kirby property in the D.B. McComb Survey, Abstract 446, Tyler County, at the location pointed out to our representative approximately as shown on the attached sketch in red.

We hereby grant such permission subject to the following understanding:

1. The material removed hereunder will be used in maintenance of county roads within Precinct 2.
2. Removal will be confined to an area of approximately 0.8 acre and total quantities removed will not exceed 1936 cubic yards.
3. Timber within the pit site will be disposed of by Kirby Forest Industries, Inc.
4. Topsoil on the pit site will be stockpiled and upon completion of removal, the pit site will be scarified and the topsoil spread over the pit area and the site left in condition that it will drain freely and will not hold water.
5. Removal will be completed on or prior to December 1, 1983, at which time we would appreciate receiving from you a statement as to quantities actually removed.
6. The material being donated in this instance has an approximate value of \$6,776.00.
7. In planning, maintaining, operating or abandoning the pit, we will look to you to comply with all applicable provisions of law and governmental regulations.

You may enter and commence removals subject to the above conditions and your agreement to submit this letter to the next regular session of the Commissioners Court for its official acceptance and approval. If this correctly sets forth our understanding, please execute the duplicate copy of this letter and return to me.

Yours very truly,

Marvin Davenport
Manager - Lands & Forests

Accepted and Approved this 10th day of July 1983.
