Honorable County Judge and
County Commissioners of
Tyler County, Texas

We have examined the Balance Sheet, All Funds, and the Statement of Revenue and Expenditures, All Funds, and the Statement of Changes in Fund Balance, All Funds, of Tyler County, Texas, for the year ended December 31, 1982. We also examined the Statement of Revenue and Expenditures for the year ended December 31, 1981. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The aforementioned statements do not give effect to all receivables, payables, and accruals, except the outstanding warrants at December 31, 1982. The statements do not present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion the Statements of Revenue and Expenditure - All Funds and Fund Balances, County Clerk; District Clerk; and Tax Assessor and Collector, present fairly the fund balances resulting from cash transactions for the years ended December 31, 1981 and 1982, on a basis consistent with that of the preceding year.
