Royal 5005XL All-Electronic Print Wheel Typewriter

Royal 5005XL

Featuring new
and expanded
capabilities

- Automatic Centering
- Automatic Carrier Return
- Automatic Relocation
- 100-Character Printability

Royal, a leading innovator in the office equipment industry for over 75 years now offers advanced electronic technology with the Royal 5005XL. This technology has been used to create a smarter, quieter, faster and far more productive typewriter to meet the needs of today's modern office. Yet, for all of its advanced electronic automation, the Royal 5005XL is priced competitively with less sophisticated, electro-mechanical machines. Royal offers the affordable intelligent choice in electronic typing. Don't buy any typewriter until you compare the features of the Royal 5005XL.

Microprocessor Technology

Royal replaced hundreds of moving parts with state-of-the-art electronics. That means more reliability, productivity and simplicity.

Two-Line Memory Correction

132-character memory enables complete automatic correction. The Royal 5005XL also corrects functions such as carriage returns, backspaces, tabs, as well as characters.

Automatic Centering

Automatically centers between margins, between tabs and flush with the right margin for justification of short phrases or columns.

Automatic Carrier Return

Automatically returns the carrier to the next line following the last word, or hyphenated word, on a line.

Automatic Relocation

When the relocation key is depressed after a correction is made, the carrier is automatically returned to the last typed character.

100-Character Printability

In addition to the conventional characters, there are symbols for Omega, Mu, less than, greater than, English pound, Japanese yen, Exponents 2 and 3.

Triple Pitch Plus Proportional Spacing

You get three standard sizes of type, 10, 12, and 15 pitch, for more distinctive typing, plus proportional spacing for a true "print shop" look.

Print Wheel

Interchangeable print wheels provide unsurpassed copy quality at a remarkably reduced noise level.

Automated Simplicity

To increase your productivity, the 5005XL gives you automatic decimal alignment, paper insertion, pitch selection, margin settings, impression control, all electronically selected from the keyboard.

VOL 012 PAGE 306

TO: Allen Sturrock, County Judge
FROM: Herman Kenneth Lowe, Commissioner Pct. II
SUBJECT: RESIGNATION

I, Herman Kenneth Lowe, on the 30th day of June am here by turning in my resignation. Over the past year I have had some health problems making it difficult for me to perform my duties as Commissioner of Pct. II, therefore it has become necessary for me to resign.

I would like to take this time to say that I have enjoyed working with those who have assisted me in the courthouse in helping me to carry out my responsibilities as commissioner.

I would also like to take this time to recommend the newly elected, Pete Barnes as my successor. Thank you for your cooperation.

Sincerely,

Herman Lowe
Commissioner Pct. II
