The Court convened in a public hearing to present the proposed budget
 for 1993 and to hear comments from tax payers.

Each Commissioner asserted their views of the proposed budget taking
 pride that the budget does not call for a tax increase.
 Commissioners observation of no tax increase was in large due to
 management; services have been increased without an increase in tax
 rates and commending the work done by elected officials in past years
 to cut-back where the County would have the money without tax
 increases.

Judge Owens answered questions from the press concerning the increase
 in workman's compensation insurance premiums.

Commissioner Mahan made a adjustment in Road & Bridge #3 changing the
 line item labeled "part-time salaries" to "part-time and over-time
 salaries".

The total budget is \$4,565,499.50. Ad valorem taxes brings the
 General Fund \$1,311,654.00 and Road & Bridge \$2,010,780.00.
 Commissioner Riley commented that less than half of the budget comes
 from taxes, the rest is derived from management, fees & fines and
 grants.
