A motion was made by Commissioner Mahan and seconded by Commissioner Riley to approve the budget policy calendar for the fiscal year 1994 as submitted by the County Auditor and reviewed by the County Judge. All voted yes and none no. SEE ATTACHED.

Bids were opened for the new cars for the sheriff's department and read aloud by the County Clerk. Commissioner Barnes made a motion to table consideration of bids until May 20 for further study by Sheriff Hennigan. The motion was seconded by Commissioner Sawyer. All voted yes and none no.

Bids were opened and read aloud by the County Clerk for used cars from the Sheriff's department. Commissioner Riley made a motion to table decision of these bids until May 20, for further review by Sheriff Hennigan. Commissioner Mahan seconded the motion. All voted yes and none no.

Sheriff Hennigan reported on his discussion with the superintendents of school districts regarding the juvenile probation officer staffed by grant funding. The Court is searching for supplemental funding to compensate for the shortfall of the percentage annual decrease. Sheriff Hennigan recommended an allocation of the County - 50%, City of Woodville - 10%, and school districts - 40%. Mike McCulley expressed his concern for conflicts of the schools paying a portion and thereby demanding more services than now being provided. Sheriff Hennigan responded that Mr. McCulley would be providing the service as he is now performing. Judge Owens added that he understand the school would agree to the County contributing the car and benefits as now in place and the 50% shortfall of the grant falling to the schools and City of Woodville. Commissioner Mahan voiced that it is all tax dollars and is not in favor of increasing taxes for this added program. Commissioner Riley agreed that the car and benefits should be shared by all. A motion was made by Commissioner Riley that the Juvenile Probation Office submit a letter of agreement, with approval of the County Judge, to be submitted to, the schools on a shared arrangement as follows: 40% - County, 10% - City and 50% Schools of the shortfall on a one year basis and reviewed by all parties for the ensuing years of the grant period. The motion was seconded by Commissioner Sawyer. All voted yes and none no.

Wanda Brasher, Justice of Peace, Pct. #1, requested funding for a copier in the amount of \$2997 with installation. The rebuilt copier she purchased from the district attorney's department is no longer in operation. She justified the machine by the amount of use and her duties requiring numerous copies. Commissioner Riley requested that Mrs. Brasher share the copier in the Sheriff's office, being that he had two copiers in operation. If this arrangement was not agreeable, then report back to the Court for other consideration. No action was taken.

Elaine Clow introduced Eugene Frizzell, child protective services supervisor. He serves as an advisor to the Tyler County Children's Services Board. A motion was made by Commissioner Riley and seconded by Commissioner Mahan to appoint Mike McCulley and David Sowell as board members for a three year term and Daidra Collier to the reserve board for a three year term. All voted yes and none no. SEE ATTACHED.

Commissioner Riley made the motion to adjourn. The motion was seconded by Commissioner Sawyer. All voted yes.
