The Honorable Jerome P. Owens, Jr.  
Tyler County Judge

Subject: Municipal Solid Waste - Tyler County  
Tyler County - Registration Application No. MSW-40038  
A Type V Transfer Station Facility

Dear Judge Owens:

Your application for registration of a Transfer Station (TS) facility has been reviewed and determined to be technically complete.

The inspection by the Texas Natural Resource Conservation Commission's (TNRCC) staff on April 20, 1994 indicated that the constructed facility meets the requirements of the commission's "Municipal Solid Waste" regulations for a Type V TS facility. As soon as a public meeting is held on this application by the TNRCC staff, as required by the law, a registration number will be issued and the TS facility will be authorized to operate.

If you have any questions with regard to this registration application or if we can be of any further assistance, please contact Mr. Manik M. Naik, P.E., at (512) 239-6005.

Sincerely,

A handwritten signature in cursive script that reads "Michael D. Graeber".
