TYLER COUNTY COMMISSIONERS COURT SPECIAL MEETING JULY 6, 2001 ---- 11:00 a.m.

THE STATE OF TEXAS ON THIS THE 16th day of July, 2001 the Commissioners' Court in and for Tyler County, Texas convened in a Special Meeting at the Commissioners' Courtroom in Woodville, Texas, the following members of the Court present, to wit:

JEROME OWENS

C. D. WOODROME

RUSTY HUGHES

JOE MARSHALL

JACK WALSTON

DONECE GREGORY

COUNTY JUDGE, Presiding

COMMISSIONER, PCT. #1

COMMISSIONER, PCT. #3

COMMISSIONER, PCT. #4

COUNTY CLERK, EX OFFICIO

The following were absent: none thereby constituting a quorum. In addition to the above were:

LYNNETTE CRUSE

TAX ASSESSOR/COLLECTOR

Judge Owens opened the meeting by explaining that every 10 years the census records the changes in population. Redistricting is required to ensure that every vote is counted and that precincts are drawn fairly.

Professor Guinn explained that the Federal Voting Rights Act requires any changes to be approved by the Attorney General of the United States. The Attorney General wants proof that redistricting has insured "one person = one vote"; that the public has been well informed of the changes and input has been allowed. He further stated that Texas is the second fastest growing state in the union. The process should follow these guidelines:

- No retrogression of minorities
- One person one vote
- Traditional redistricting principles
- East identifiable boundaries: highways, railroads, rivers, etc
- Avoid splitting neighborhoods
- Try to use existing election places
- Maintain core pf existing districts
- Precincts be compact and contiguous
- Preserve incumbent-constituent relationship

The redistricting should be completed by October 1st. Professor Guinn's assistant explained the plans by showing the percentage charts. SEE ATTACHED.

Commissioner Woodrome expressed his gratitude of the chosen members taking their time to serve on the committee.

Commissioner Hughes stated that his precinct would be the one affected the most. He favored the lines drawn in Plan 1 or Plan 2, having the least impact. Plan 3 would be too burdensome having to move equipment from Chester further south from Woodville.

Commissioner Marshall acknowledged that he didn't have any problem taking Barlow Lake Estates but that he would like to rework the plan in order to keep the roads he was maintaining presently, putting Windmill Trailer Park back in precinct #3. Professor Guinn responded that the plans had been drawn taking in account whole census blocks. If the blocks were not used, the Justice Department would have to be told why the blocks were breached.

Commissioner Walston affirmed that all three plans benefited his precinct (#4); that, he didn't have any problems with either of the plans.

Allen Sturrock recognized the members of the committee being all present with exception to Michael Hadnot. He suggested that members physically ride with their commissioner or other precinct officer to be more prepared to advise changes. Comments from the committee included:

Sue Shaw-How many voting boxes will be affected by the changes? Henry Deason – No problem with taking Barlow Lake Estates, but that it would be greater expense to their precinct due to more roads.

NO ACTION WAS TAKEN AT THIS MEETING.

THERE BEING NO FURTHER BUSINESS, THE MEETING ADJOURNED.
