**Jim Zachary**, Constable Pct. 4, gave a Quarterly Report for the Constables. SEE ATTACHED.

Judge Blanchette gave a report that he and Robert Britton went to Austin on April 8-9, to a Texas Historical Commission Workshop. The cost was underwritten by a grant from the Texas Land Title Association. The presentation stressed the point of being pro-active rather than reactive. A commitment for preservation, especially of the courthouses, as one of the first buildings in a community, was also presented. Dan Utley, formerly of Woodville, was a speaker at the workshop. A copy of the SECO grant proposal was requested, and will be personally walked through the process by Bess Graham. Professor

Gwynne of the University of Texas, has also been in touch with Judge Blanchette concerning re-districting. According to his sources, Tyler County has had minimal growth in the last 10 years; therefore, unless something drastically changes, we will probably avoid the expense of having to re-draw boundary lines within the county. An e-mail was received from Dan Brockman concerning remaining funds of approximately \$141,000 from Hurricane Rita. Once all documentation is received by his office, this money can be released to the County. Glen Hitchcock, with PBS & J, was not satisfied with the fee received from the County due to the delays in the process, but he has offered some limited courtesy assistance with the processing of Hurricane Ike.

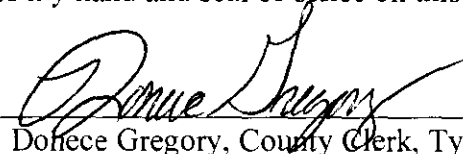

**Commissioner Walston** made a motion to adjourn. **Commissioner Nash** seconded the motion. All voted yes and none no.

THERE BEING NO FURTHER BUSINESS, THE MEETING ADJOURNED.

I, Donece Gregory, County Clerk and ex officio member of the Tyler County Commissioners Court, do hereby certify to the fact that the above is a true and correct record of the Tyler County Commissioners Court session held on April 16, 2010.

Witness my hand and seal of office on this the 20th day of April, 2010.

Attest:

Donece Gregory, County Clerk, Tyler County, Texas

#### Section 1

**Purpose:**

The purpose of this Agreement is to provide mutual aid among the cities and counties in meeting any emergency or disaster from enemy attack or other cause, natural or otherwise. This Agreement is made pursuant to the Interlocal Cooperation Act, Vernon's Texas Civil Statutes, & 4413 (32c), and Vernon's Texas Codes Annotated, Government Code Chapter 418, commonly referred to as the Texas Disaster Act of 1975. ### Section 4

#### **Supplementary Agreements:**

Inasmuch as it is probable that the pattern and detail of the arrangements for mutual aid among two (2) or more Cities or Counties may differ from that appropriate among other Cities or Counties party hereto, this instrument contains elements of a broad base common to all Cities and Counties, and nothing herein contained shall preclude any City or County from entering into supplementary agreements with another City or County or Counties. Such supplementary agreements may comprehend but shall not be limited to, provisions for evacuation and reception of injured and other persons, and the exchange of medical care, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, equipment and supplies.

### Section 6

#### **Finance:**

Any party City or County rendering aid in another City or County pursuant to this Agreement shall be reimbursed by the party City or County receiving such aid for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost incurred in connection with such request; provided, that any aiding party City or County may assume in whole or in part such loss damage expense, or other cost, and provided further that any two (2) or more party Cities or Counties may enter into supplementary agreements establishing a different allocation of costs as among those Cities and Counties.

### Section 7

#### **Severability:**

This Agreement shall continue in force and remain binding on each party City and County until the City Council or Commissioners' Court of such party City or County takes action to withdraw therefrom. Such action shall not be effective until 90 days after notice thereof has been sent by the Emergency Management Director of the party City or County desiring to withdraw to the Emergency Management Director of all other party Cities and Counties.

MUTUAL AID AGREEMENT

This Agreement shall be construed to effectuate the purpose stated in Section 1, hereof. If any provision of this Agreement is declared unconstitutional, or the applicability thereof to any persons or circumstances is held invalid, the constitutionality shall not be affected thereby.

**Section 8**

**Applicability:**

This Agreement shall become operative immediately upon its approval by any City or County as between it and any other City or County or Cities or Counties so ratifying. Duly authenticated copies of this Agreement and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party Cities and Counties and with the Division of Emergency Management and other appropriate agencies of the State of Texas.

This Agreement shall become binding and obligatory when it has been signed by the Mayor and/or County Judge of the respective Cities and Counties enumerated in this Agreement; when it shall have been approved by the City Council and/or Commissioners' Court of each City or County.

### **Celebrate County Government throughout April**

This year, the observance of County Government Week has been expanded to the month of April, allowing counties more flexibility to plan activities celebrating the importance of county government to their citizens.

Texas counties should be proud of the job they do for their taxpayers and all constituents. County Government Month is the perfect time to showcase the achievements of all 254 Texas counties, the county officials who lead them and their hard-working employees.

The Texas Association of Counties (TAC) has prepared a [sample resolution](#) for County Government Month for commissioners courts, as well as a [news release](#) in which local officials may add their names to quotes about the celebration. If your county plans activities, feel free to insert them into the news release.

To celebrate county government locally, officials may look online at resources made available through TAC.

At TAC's [www.county.org](http://www.county.org) site, go to the "About Texas Counties" pull-down tab to "County Government Week" to find an array of suggestions such as tips for holding a court fair, bringing youth to the courthouse, community outreach activities and ways to honor county employees.

Other TAC resources to make people aware of county government include:

- Two brochures, "Who Does What in Texas County Government," and "There When You Need It: County Government," along with a 2-pocket display stand for countertop use.
- A 17-minute DVD video, "County Government: There When You Need It."

describes the structure and history of Texas county government and explain and functions of the various county offices.

- A poster to promote the Texas county services Web site, [www.TexasCounties4U.org](http://www.TexasCounties4U.org), which features videos on how to access county a map/list of all county Websites, descriptive information about each county government office, basic data on every county, including demographic profil

The brochures, display stands, video and Web site poster may be obtained by con Pam Gonzales at 800-456-6974.

You may also visit the National Association of Counties (NACo) Web site at [www.NACo.org](http://www.NACo.org) where the "County Resource Center" tab includes a "National County Government section that includes a how-to handbook and a media kit for reproduction of logos banners, posters and fliers.

If you have any questions, contact TAC's Jim Lewis at [jiml@county.org](mailto:jiml@county.org) or Elna Chi at [elnac@county.org](mailto:elnac@county.org).

And make April a successful, enjoyable County Government Month!
