## **INTERLOCAL COOPERATION AGREEMENT**

This agreement is made by and entered into between Newton County, Texas & Newton County Public Facility Corporation (hereinafter "Contractor") and Tyler County, (hereinafter) ("County") on the date indicated below.

WHEREAS, County is seeking to provide for the housing and care of certain inmates incarcerated or to be incarcerated in its Correctional Facility, and

WHEREAS, Contractor currently has the available capacity and the ability to provide housing and care for such inmates, and

WHEREAS, both parties are political subdivisions of the State of Texas authorized to enter into an interlocal Cooperation Agreement for such detention services pursuant to Chapter 791 of the Government Code (Vernon's 1992)(formerly Article 4413(32c), Tex. Rev. Div. Stat.), and

WHEREAS, the County and the Contractor desire to enter into an agreement pursuant to which the Contractor will provide housing and care for certain inmates incarcerated or to be incarcerated in the County's Correctional Facility.

NOW, THEREFORE, in consideration of the promises, covenants and agreements contained herein, the parties hereto mutually agree as follows:

### **ARTICLE I**

#### **DETENTION SERVICES**

1.01 **HOUSING AND CARE OF INMATES:** Contractor agrees to accept, and provide for the secure custody, care and safekeeping of inmates of the County in accordance with state and local law, including the minimal standards promulgated by the Texas Commission on Jail Standards. The Contractor shall provide housing, care, meals and routine medical services for such inmates on the same basis as it provides for its own inmates confined in its own Correctional Facility subject to the terms and conditions of this Agreement.

1.02 **MEDICAL SERVICES:** The per day rate under this agreement covers only routine medical services such as on-site sick call (when provided by on-site staff) and non-prescription, over-the-counter/non-legend and routine drugs and medical supplies. The per day rate does not cover medical/health care services provided outside of the Contractor's facility or by other than facility staff, prescription drug and treatments or surgical, optical and dental care, and does not include the costs associated with any hospitalization of an inmate. The County shall pay the Contractor an amount equal to the amount the Contractor is required to expend for medical services other than those routine medical services provided for the by the per day rate. When it becomes necessary for an inmate to be hospitalized, the Contractor shall contact the County, through it's Sheriff or designated representative, as soon as possible to inform the County of the fact that the inmate has been, or is to be, hospitalized and of the nature of the illness or injury that has required the hospitalization.

The Contractor shall submit invoices for such medical services along with its regular monthly billings for detention services, and such invoices shall be paid on the same terms as the regular monthly billing.

The Contractor has the right to arrange for the hospital or health care provider to bill the County directly for the costs of the hospitalization and/or medical care, rather than the Contractor paying the costs and billing the same to the County. If the hospital or health care provider refuses to bill the county directly, the County shall reimburse the Contractor for such costs within forty-five (45) business days of receipt of an invoice from the Contractor therefore, which invoice may be delivered personally, by facsimile by mail or by other reliable courier.

1.03 **MEDICAL INFORMATION:** The County shall provide the Contractor with medical information for all inmates sought to be transferred to the Contractor's facility under this agreement, including information regarding any special medication, diet or exercise regimen applicable to such inmate.

1.04 **TRANSPORTATION AND OFF-SITE SECURITY:** The County agrees to assume responsibility for the transportation of its inmates to and from the Contractor's facility. Ambulance transportation (including emergency flight, etc.) is not covered by the per day rate and will be billed along with the regular monthly billing submitted to the County by the Contractor.

Contractor will provide stationary guard services as requested or required by the circumstances or by law for inmates admitted or committed to an off-site medical facility. The County shall compensate the Contractor for the actual cost of said guard services to the Contractor, which shall be billed by the Contractor along with the regular monthly billing for detention services.

The County is responsible for the transport of its inmates from the Contractor's facility to the Texas Department of Criminal Justice, Institutional Division.

1.05 **SPECIAL PROGRAMS:** The per day rate set out in this agreement only covers basic custodial care and supervision and does not include any special, educational, vocational or other programs. The parties may agree by a written amendment to this agreement, or by separate agreement, for the provision of special programs for the consideration and under the terms mutually agreed to by the parties.

1.06 **LOCATION AND OPERATION OF FACILITY:** The Contractor shall provide the detention services described herein at the Newton County Correctional Center in Newton, Texas, which is operated by Community Education Centers (CEC).

## ARTICLE II

### **FINANCIAL PROVISIONS**

2.01 **PER DIEM RATE:** The per diem rate for detention services under this agreement is thirty-nine dollars & seventy-five cents (\$39.75) per man-day. This rate covers one inmate per day. Any portion of any date shall count as a man-day under this agreement, except that the County may not be billed for two days when an inmate is admitted one evening and removed the following morning. In that situation, the Contract will bill for the day of arrival, but not for the day of departure.

2.02 **BILLING PROCEDURE:** Contractor shall submit an itemized invoice for the services provided each month to the County, in arrears, invoices will be submitted to the Officer of the County designated to receive the same on behalf of the County. The County shall make payment to the Contractor within thirty (30) days after receipt of the invoices.

Payment shall be in the name of Newton County Correctional Center  
and shall be remitted to: ATTN: Elizabeth Holloway, County Auditor  
P. O. Box 296  
Newton, Texas 75966

Amounts which are not timely paid in accordance with the above procedure shall bear interest at the lesser of the annual percentage rate of 10%, or the maximum legal rate applicable thereto, which shall be a contractual obligation of the County under this agreement. County further agrees that the Contractor shall be entitled to recover its reasonable and necessary attorney's fees and costs incurred in collection of amounts due under this agreement.

## **TERM OF AGREEMENT**

3.01 **PRIMARY TERM:** The primary term of this agreement is for a period of one (1) year from the date of execution of this agreement by both parties.

3.02 **RENEWALS:** This agreement may be renewed annually by mutual agreement of the parties. In the event that the parties seek to renew this agreement at the end of the primary term or any renewal period, the per diem rate for the detention services shall be at the rate negotiated by the parties for such renewal period. The terms, conditions and rates with regard to any renewal period shall be as mutually agreed between the parties, and as approved by the commissioners' courts of the respective parties.

3.03 **TERMINATION:** This agreement shall terminate at the end of the primary term or of any renewal term unless renewed pursuant to Section 3.02. In addition, this agreement may be terminated upon sixty (60) days written notice by either party delivered to the Officer specified herein by the other to received notices. This agreement will likewise terminate upon the happening of an event that renders performance hereunder by the Contractor impracticable or impossible, such as severe damage to or destruction of the facility or actions by governmental or judicial entities, which create a legal barrier to the acceptance of any of the County's inmates.

## **ARTICLE IV**

4.01 **COMPLIANCE WITH LAW:** Nothing herein shall create any obligation upon the Contractor to house the County's inmates where the housing of said inmates will, in the opinion of the Contractor's Sheriff, raise the population of the facility above permissible numbers of inmates allowed by law, or will, in the Sheriff's opinion, create a condition of overcrowding or create conditions which endanger the life and/or welfare of personnel and inmates at the facility, or result in possible violation of the constitutional rights of the inmates housed at the facility. At any time that the Contractor's Sheriff determines that a condition exists at the Contractor's facility necessitating the removal of the County's prisoners, or any specified number thereof, the County shall, upon notice by the Contractor's Sheriff to the Sheriff of the County, immediately (within eight (8) hours remove said prisoner's from the facility.

4.02 **ELIGIBILITY FOR INCARCERATION AT FACILITY:** The only inmates of the County eligible for incarceration are those inmates eligible for incarceration in the facility in accordance with the state standards under both the Correctional Facility on Jail Standards approved custody assessment system in place at the County's Correctional Facility and pursuant to the custody assessment system in place at the Contractor's facility.

4.03 **RESERVATIONS WITH REGARD TO ACCEPTANCE OR CONTINUED INCARCERATION OF INDIVIDUAL INMATES:** Contractor reserves the right for its Sheriff or his designated representative to review the background of all inmates sought to be transferred to the Contractor's facility, and the county shall cooperate with and provide information requested regarding any inmate by the Contractor's Sheriff. The Contractor reserves the right to refuse acceptance of any prisoner of the County. Likewise, if any inmate's behavior, medical or psychological condition, or other circumstances of reasonable concern to the Contractor's Sheriff makes the inmate unacceptable for continued incarceration in Contractor's facility in the opinion of the Contractor's Sheriff, the County will be requested to remove said inmate from the facility, and shall do so immediately (within eight (8) hours) upon the request of the Contractor's Sheriff. Inmates may also be required to be removed from the facility when their classification changes for any purpose, including long-term medical segregation.

**4.04 INMATE SENTENCE:** Contractor shall not be in charge or responsible for computation or processing of inmate's time of confinement, including but not limited to, computation of good time awards/credits and discharge dates. And such computations and record keeping shall continue to be the responsibility of the County. It shall be the responsibility of the County to notify the Contractor of any discharge date for an inmate at least ten (10) days before such date. The Contractor will release inmates of the County only, when the Sheriff of the County specifically requests such release in writing. However, it is agreed that the preferred and usual course of dealing between the parties shall be for the County to pick up and return inmates to the County facility shortly before their discharge date, and for the county to discharge the inmate from its own facility. The county accepts all responsibility for the calculations and determinations set forth above and for giving Contractor notice of same, and to the extent allowed by law, shall indemnify and hold the Contractor harmless for all liability or expenses of any kind arising there from. The County is responsible for all paperwork, arrangements and transportation for inmates to be transferred to the Texas Department of Criminal Justice, Institutional Division.

Good morning Sharon,

I thought I would get a head start on responding to my emails on my last day of vacation.

To answer your question, yes some counties have gone before Commissioners Court to approve the amendment. I have attached information below that explains the legislative and format changes and why the new plan document is required. This information you can provide to Commissioners Court to explain the changes.

Should you have additional questions please let me know.

Thanks,

**Pension Protection Act of 2006**

The Act makes permanent the retirement-plan and IRA provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA), most of which were due to sunset after 2010. Also, the Act makes sweeping changes to the private sector defined benefit system by:

- Imposing tougher funding requirements for well-funded and under-funded plans
- Limiting future benefit increases for poorly funded plans
- Providing benefit accrual safeguards for older participants in cash balance conversions
- Legitimizing cash balance and hybrid defined benefit as viable plan designs going forward.

**HEART - Heroes Earnings Assistance and Relief Tax (HEART) Act of 2008**

Provides additional benefits to active duty military personnel and their families

- Inclusion of Differential Pay For Retirement Plan Purposes. Differential pay is subject to federal income tax withholding.
- Withdrawal of Elective Deferrals and the 10% Early Distribution Tax
- Plan Death Benefit Requirements
- Increased Benefits
- Rollover of Military Death Gratuities

**Worker, Retiree and Employer Recovery Act of 2008**

- Waiver of any required minimum distribution (RMD) for 2009

## ARTICLE V

### Administrative Services Provider Duties

**Loans:** Loan provisions are incorporated into the plan document, and is no longer a stand alone amendment to the plan. Including this provision does not require plans to offer loans. Plan sponsors who have already completed this step are not required to take any additional action at this time. (Section 5.03).

**Procedure When Location of Participant or Beneficiary Unknown:** New language added to Plan Document providing distribution procedures when the location of a participant or beneficiary is unknown. (Section 5.12(a)(b)).

## ARTICLE VI

### Participant Administrative Provisions

**Automatic Revocation of Spousal Beneficiary Designation:** New section, which automatically revokes designations in favor of a former spouse as beneficiary upon a divorce or dissolution of marriage. Many states already have laws which takes this action with former spouses. (Section 6.01).

## ARTICLE VII

### Miscellaneous

**Use of Plan Assets that Are Not Attributable to an Account:** New section, which provides that Plan Sponsor shall direct the Administrator how to use money received by the Plan that is not related to an Account Balance. This would include any settlement money, fee reimbursements, and litigation awards received by the Plan. (Section 7.09)
