Sheriff & Constables

Dear Ms. Gregory:

Our office is in the process of compiling the 2013 *Sheriffs' and Constables' Fees* report as required under Texas Local Government Code Section 118.131. This law requires each commissioners court to set fees charged for civil services by the offices of the sheriff and constables and directs that these fees be reported to the Comptroller.

By law, each year these fees must be set before Oct. 1, and reported to the Comptroller's office no later than Oct. 15. We will compile and publish the report, and the new fees become effective on Jan. 1, 2013. Failure to meet this deadline will result in 2012 fees remaining in effect throughout 2013.

Enclosed are instructions for reporting the 2013 fees to our office. To review and file your county's revised fees, please use the following digit access ID code to gain access 79541208. Please complete the 2013 *Sheriffs' and Constables' Fees* report electronically by Oct. 15, 2012. Please be aware that even if the county has no changes in fees, the county is still responsible for reporting that information to the Comptroller's office.

The 2013 *Sheriffs' and Constables' Fees* report will be available on our Texas Ahead website at www.texasahead.org/lga/sheriffs on Jan. 1, 2013.

If you need assistance completing the report, please contact Ron Gipson of our Economic Development and Analysis Division at ron.gipson@cpa.state.tx.us or 1-800-531-5441, ext. 6-8530.

Sincerely,

Susan Combs

TYLER COUNTY TREASURER
SHARON FULLER
100 W. BLUFF - ROOM 100 COURTHOUSE
WOODVILLE, TEXAS 75979

August 16, 2012

To Honorable Commissioners Court:

As discussed in our Budget Workshop the following changes are to be made to our Vacation Policy effective September 1, 2012:

Waiting Period

There shall be no waiting period before an employee can use accrued vacation leave. If an employee breaks service before their 1 year anniversary date they will not be paid for any vacation accrued upon separation.

Maximum Accrual

An employee must use accrued vacation within the year or the balance will be forfeited. Unless otherwise provided for by item #2 as follows:

1. The maximum amount of vacation that an employee shall be allowed to have at any one time shall be the amount the employee would normally accrue in twelve (12) months if employed less than five (5) years, and eighteen (18) month for five (5) years and over.
2. Accrual in the excess of the maximum shall be allowed only with prior approval by Commissioners Court.
3. An employee who has been allowed to accrue vacation in the excess of the maximum shall promptly take vacation to reduce the balance to or below the maximum as soon as circumstances and needs in the county allow it.

Respectfully Submitted,

Sharon Fuller
County Treasurer

Item I.H.

Policy on Vacation Amendments for consideration:

- Accrual in excess of the maximum may be allowed if prior approval by Commissioners Court
- No waiting; however, if employee breaks service within one (1) year accrued vacation time will not be paid at separation

Hi Sharon –

I heard your message and am on my way out the door for a mtg. I thought it would be good for you to have this. The Judge requested a plan option, but with as little an increase as you got I hope you can stay where you are. I will call you

Hi Judge –

I regret not being in the office when you contacted us about alternates. Your plan received 1/10 percent renewal increase which is excellent. In turn, Tyler County will be receiving \$44,463 in surplus distribution. I am assuming the request for alternates is based on budgetary needs, however, if that is not the case your group is in a very good position staying with the current plan.

The attached doc. has 2 options for you to consider. The first is the Grandfathered version of your current plan. It is an excellent choice that will save money, but continue to work in the same manner that your current benefits do with slight changes. The 2nd option is for a Non-Grandfathered plan where preventive care will no longer have a co-pay attached. As you can see it costs a bit more money. That is due to the increased responsibility on your plan to cover the costs of preventive care. We have one more year that plans can keep their grandfathered status according to health care reforms. We would recommend retaining that status, as you cannot go back to it, and there will be many changes coming soon in all probability.

Please let me know how I may help you or if you have any questions.

July 3, 2012

Honorable Sharon E. Fuller, CIO
Tyler County
100 West Bluff Street, Room 100
Woodville, TX 75979

Dear Ms. Fuller:

The Texas Association of Counties Health and Employee Benefits Pool (TAC HEBP) is pleased to enclose the Tyler County group health renewal packet for your upcoming plan anniversary date. The Pool has stayed below the national average for health plan rate increases for the past ten years and has done so again this year. For the upcoming 2012-2013 plan year, the Pool average renewal increase is 3.85 percent, about 4 percent below the state and national averages. In addition, most counties' dental rates decreased slightly unless utilization was well above average and life rates remain level after last year's decrease.

- **Long-Term Membership.** Health care benefits are a long-term commitment to employees and it pays to have a long-term strategy for keeping costs under control. Our Pool has retained 99 to 100 percent of its members year after year. Counties are part of a stable pool covering more than 43,000 lives. Because of this, large group purchasing power is greatly multiplied and our actuaries can use these resulting savings to lower all members' rates. TAC HEBP has a proven track record of providing the lowest long-term cost for the health coverage your employees depend on and your county budget requires.
- **Aggressive Negotiations.** TAC HEBP negotiates aggressive pricing for each part of the health plan. We combine the purchasing power of more than 192 county entities to make sure we get the lowest possible price for administration and reinsurance. TAC HEBP contracts with the Blue Cross Blue Shield of Texas PPO for medical network and CVS Caremark for pharmacy network and discounted prescription drug pricing to make sure employees have access to the best care available at the lowest possible cost.

We appreciate your assistance in helping us meet our deadlines and ask that you return your paperwork as soon as possible. Please refer to the enclosed calendar for the deadline that applies to your anniversary date. If you are not able to complete your renewal by this date, please give us a call so we can try to avoid your plan and rates renewing differently than your county would like.

TAC HEBP encourages our members to maintain their current benefit plan or make only slight changes during these positive renewal years. If your plan is still "grandfathered" under Federal health care reform rules, there is real value in remaining that way until more firm answers on new regulations are available. However, if you are considering any changes, including changes to your personnel policies, that will affect benefits (e.g.; adding/dropping retiree benefits, changing waiting period, etc.), please be sure to discuss this in advance with Kelly Kolodzey so that we can coordinate the changes with your entire renewal.

We thank you for your membership in TAC HEBP and look forward to working with you again. A separate page discussing Surplus Distributions (formerly Renewal Credits) is included.

Best regards,

Try this again...

Honorable Judge Blanchette,

Attached above are drafts of three template resolutions dealing with the issues the Alabama-Coushatta is facing. The first is a resolution seeking support for the the Tribe's land claim. The second is a resolution supporting the Tribe's right to game on it's land. The third is the same with the inclusion of an additional "WHEREAS" that raises the issue of the land claim as one of the justifications for gaming rights. As we stated to you in our conversation, the Tribe is seeking a federal effort to seek the same entitlement as other Federally recognized tribe as well as getting the Federal government to adhere to the Congressional reference (3-83) ruling by the Federal Court of Claims.

Let me know if there is anything else I can do to help. The Alabama-Coushatta Tribe has fought a long time for justice, I pray that you get it. Thank you for the opportunity.

Respectfully,

Kyle-

“Local political subdivision” refers to a city or county of the State of Texas.

Unless otherwise defined, terms used herein shall have the meaning assigned by Texas Transportation Code Chapter 706 or other relevant statute. Terms not defined in this Contract or by other relevant statutes shall be given their ordinary meanings.

IV. Governing Law

This Contract is entered into pursuant to Texas Government Code Chapter 791 and is subject to the laws and jurisdiction of the State of Texas and shall be construed and interpreted accordingly.

V. Venue

The parties agree that this Contract is deemed performable in Travis County, Texas, and that venue for any suit arising from the interpretation or enforcement of this Contract shall lie in Travis County, Texas.

VI. Application and Scope of Contract

This Contract applies to each FTA Report submitted to and accepted by the TDPS or the Vendor by the local political subdivision pursuant to the authority of Texas Transportation Code Chapter 706.

VII. Required Warning on Citation for Traffic Law Violations

A peace officer authorized to issue citations within the jurisdiction of the local political subdivision shall issue a written warning to each person to whom the officer issues a citation for a traffic law violation. This warning shall be provided in addition to any other warnings required by law. The warning must state in substance that if the person fails to appear in court for the prosecution of the offense or if the person fails to pay or satisfy a judgment ordering the payment of a fine and cost in the manner ordered by the court, the person may be denied renewal of the person's driver license. The written warning may be printed on the citation or on a separate instrument.

VIII. FTA Report

If the person fails to appear or fails to pay or satisfy a judgment as required by law, the local political subdivision may submit an FTA Report containing the following information:

IX. Clearance Reports

The originating court that files the FTA Report has a continuing obligation to review the report and promptly submit appropriate additional information or reports to the Vendor or the TDPS. The clearance report shall identify the person, state whether or not a fee was required, advise the TDPS to lift the denial of renewal and state the grounds for the action. All clearance reports must be submitted immediately from the time and date that the originating court receives appropriate payment or other information that satisfies the citizen's obligation to that court.

To the extent that a local political subdivision utilizes the FTA Program by submitting an FTA Report, there is a corresponding obligation to collect the statutorily required \$30.00 administrative fee. If the person is acquitted of the underlying offense for which the original FTA Report was filed, the originating court shall not require payment of the administrative fee. The local political subdivision shall submit a clearance report immediately advising the TDPS to lift the denial of renewal and identifying the grounds for the action.

The local political subdivision must immediately file a clearance report upon payment of the administrative fee and:

- (1) the perfection of an appeal of the case for which the warrant of arrest was issued or judgment arose;
- (2) the dismissal of the charge for which the warrant of arrest was issued or judgment arose;
- (3) the posting of a bond or the giving of other security to reinstate the charge for which the warrant was issued;
- (4) the payment or discharge of the fine and cost owed on an outstanding judgment of the court; or
- (5) other suitable arrangement to pay the fine and cost within the court's discretion.

The TDPS will not continue to deny renewal of the person's driver license after receiving notice from the local political subdivision that the FTA Report was submitted in error or has been destroyed in accordance with the local political subdivision's record retention policy.

X. Compliance with Law

The local political subdivision understands and agrees that it will comply with all local, state and federal laws in the performance of this Contract, including administrative rules adopted by the TDPS.

XI. Accounting Procedures

An officer collecting fees pursuant to Texas Transportation Code §706.006 shall keep separate records of the funds and shall deposit the funds in the appropriate municipal or county treasury. The custodian of the municipal or county treasury may deposit such fees in an interest-bearing account and retain the interest earned thereon for the local political subdivision. The custodian shall keep accurate and complete records of funds received and disbursed in accordance with this Contract and the governing statutes.

The custodian shall remit \$20.00 of each fee collected pursuant to Texas Transportation Code §706.006 to the Comptroller on or before the last day of each

calendar quarter and retain \$10.00 of each fee for payment to the Vendor and credit to the general fund of the municipal or county treasury.

XII. Payments to Vendor

Austin, Texas 78731
(512) 346-6511 ext. 100; (512) 346-9312 (fax)

The local political subdivision must pay the Vendor a fee of \$6.00 per person for each violation which has been reported to the Vendor and for which the local political subdivision has subsequently collected the statutorily required \$30.00 administrative fee. In the event that the person has been acquitted of the underlying charge, no payment will be made to the Vendor or required of the local political subdivision.

The parties agree that payment shall be made by the local political subdivision to the Vendor no later than the last day of the month following the close of the calendar quarter in which the payment was received by the local political subdivision.

XIII. Litigation and Indemnity

In the event that the local political subdivision is aware of litigation in which this Contract or Texas Transportation Code Chapter 706 is subject to constitutional, statutory, or common-law challenge, or is struck down by judicial decision, the local political subdivision shall make a good faith effort to notify the TDPS immediately.

Each party may participate in the defense of a claim or suit affecting the FTA Program, but no costs or expenses shall be incurred for any party by the other party without written consent.

Rural County Waiver Process

for requesting Medicaid beds for the county
through the Texas Department on Aging and Disability Services (DADS)

- Commissioners Court sends DADS a letter of intent and receives verification that county complies with definition of rural county.
 - Commissioners Court publishes Notice in the Texas Register and in The Booster.
 - Notice must request:
 - comments on whether the request should be made; and
 - proposals from persons interested in providing additional Medicaid beds in the county
 - Public Hearing held at the location, date, and time posted in the published notice
 - Commissioners Court takes minutes and documents the comments, proposals, and offers received
 - To determine whether to proceed with the waiver request, Commissioners Court reviews Public Hearing information and factors in:
 - the demographic and economic needs of the county;
 - the quality of existing nursing facility services under the state Medicaid program in the county;
 - the quality of the proposals submitted; and
 - the degree of community support for additional nursing facility services
 - If the Court decides to proceed with the waiver request, the Commissioners Court sends a letter to DADS requesting that DADS issue a waiver to a person or entity who submitted a proposal to build the new nursing home. (There are requirements as to information to be included in the letter.)
 - DADS will respond with a letter issuing the Medicaid beds to the recommended entity or person. (Note: Statewide, only 500 beds are added annually. If the allotment is already filled for the current year, the request will automatically be carried to the following year.)
 - At this point, the Commissioners Court is finished with their part of the process.
