Cpl George A. Lutz II

December 12, 1980 - December 29, 2005

The Flag's Origin

On December 29, 2005, George Anthony Lutz II (Tony) was killed by a sniper's bullet while he was on patrol in Fallujah, Iraq. His family and friends endured the shock, emotional agony and overwhelming loss that accompanied the news of Tony's death, like many families who have suffered the same tragedy.

George Lutz, Sr. found another commonality among the families of fallen soldiers. After their grief had transitioned to numbness and finally to acceptance, many families wanted to know two things: their sacrifice was not in vain and the nation would never forget. These concerns led George on a quest to discover if there was a universally recognized symbol that specifically acknowledges the American service men and women who never made it home. To his surprise, he found nothing. Thus the Honor and Remember Flag was conceived.

We will always Honor their selfless sacrifice and Remember them individually by name.

When displayed with the American, State or the POW/MIA flag, the Honor and Remember Flag should fly below them

TEXAS CHAPTER, LLC

A NATIONAL REMEMBRANCE FLAG

In our nations history there has never been an official national symbol that specifically recognizes in gratitude and respect the ultimate sacrifice made by members of the United States military in service to our nation. The Honor and Remember Flag was created for that purpose.

GOALS:

1. To promote the vision of the Honor and Remember Flag and request that visitors to the website sign a petition and pass the word about the importance of this new symbol.
2. To build a consensus among the branches of the United States military, veterans organizations, service and civic groups, businesses and individuals to collectively solicit the Department of Defense and the United States Congress to propose and accept the Honor and Remember Flag as the official flag for honoring all fallen servicemen and servicewomen.
3. To promote broad national awareness of and groundswell interest in the flag, so that military, government and educational facilities, as well as households throughout the country, would begin flying the Honor and Remember Flag in recognition of our nation's fallen warriors.
4. To place one personalized Honor and Remember Flag in the hands of immediate families who have lost a loved one in military service to America.

THE TEXAS CHAPTER

Honor and Remember Texas Chapter LLC. is a 501c 3 tax deductible non-profit organization, with an all-volunteer staff. The Texas Chapter's focus is on paying tribute and honoring our Texas Fallen Heroes. We are dedicated to and appreciate the honor and opportunity to serve our military for their service and sacrifice to our country. We would like to invite you, your group or organization, company or corporation, to help us with this very important mission. To volunteer, please reply by email or call for more information. In addition you can help by signing our petition, buying your own flag, or sponsoring a flag for a Texas Fallen Hero. Let us **NEVER FORGET** the sacrifice of our soldiers and their families.

Your personal or corporate donation in any amount goes directly to create the hand-made embroidered personalized flags, to be presented to the families paying honor and tribute to their sacrifice for our country.

PLEASE JOIN US IN OUR EFFORTS TO HONOR AND REMEMBER OUR TEXAS FALLEN HEROES

"ANY NATION THAT DOES NOT HONOR ITS HEROES WILL NOT ENDURE." ~ABRAHAM LINCOLN

THE FLAG'S SYMBOLISM

The Red Field represents the blood spilled by brave men and women in America's military throughout our history, who willingly gave their lives so that we all could remain free.

The Blue Star represents active service in military conflict. This symbol originated with World War I, but on this flag it signifies service through all generations from the American Revolution to present day.

The White Border surrounding the gold star recognizes the purity of sacrifice. There is no greater price an American can pay than to give his or her life in service to our country.

The Gold Star signifies the ultimate sacrifice of a warrior in active service who will not return home. Gold reflects the value of the life that was given.

The Folded Flag signifies the final tribute to an individual life that a family sacrificed and gave to the nation.

The Flame is an eternal reminder of the spirit that has departed this life yet burns on in the memory of all who knew and loved the fallen hero.

RESOLUTION

Whereas, in the more than 200 years of our nation's history, there has never been an officially recognized symbol that reminds us daily of the sacrifices made by members of our military who lost their lives in service to our country, and

Whereas, the Honor and Remember organization has launched a national campaign to create an emblem with which every patriotic American can acknowledge daily the ultimate price of freedom, and

Whereas, the Honor and Remember Flag recognizes all individuals who have died as a result of serving in the United States military dating back to the founding of our nation, and

Whereas, the organization has established it's Texas State headquarters located in Jasper, Texas, Jasper County, and

Whereas, the mission of the State Chapter is to establish and promote a state and national awareness and provide general education about the flag, so that military, government, and educational facilities as well as households throughout the state and country would begin flying the National Remembrance Flag in recognition of our nation's fallen warriors, and

Whereas, the organization's goal is to place personalized Honor and Remember Flags in the hands of immediate families who have lost a loved one in military service to America, and establish the Honor and Remember Flag as "Perpetually Recognizing the Sacrifice of our Military Fallen Heroes and Their Families"

Therefore, the Tyler County Commissioners Court recognizes the Honor and Remember Organization, it's Texas Chapter located in Jasper, Texas and their mission to encourage all Americans to fly this new emblem wherever our national flag is flown, and to authorize the flying of the Honor and Remember Flag at the Tyler County Courthouse while encouraging other public facilities in Tyler County to do the same.

Passed this 15th day of March, 2013 at a regular session of the Commissioners Court of Tyler County, Texas.

TYLER COUNTY - GLO IKE DRS 1 AMENDED GRANT (BRIDGE / CULVERTS)

Guidelines for increasing the
TAX INCREMENT FINANCING ZONE (TIF)
In Tyler County

- Each taxing unit that wants to consider tax abatement proposals must adopt guidelines and criteria for the creation of a reinvestment zone and must hold a public hearing. *(This was done when the original TIF zone was created by Order of the Court on August 29, 2011)*

- Each taxing unit that wants to consider tax abatements must also adopt a resolution indicating its intent to participate in tax abatement. The resolution must be adopted at an open meeting by a majority vote of the taxing unit's governing body. *(This would be our next step)*

- Seven days' written notice of the public hearing must be given to the presiding officer of each of the other taxing units that has taxing jurisdiction over real property within the zone.

- Notice of the hearing must also be published at least seven days before the hearing in a newspaper of general circulation in the city/county/region.

- At the public hearing on the reinvestment zone, the governing body must find that the improvements sought are feasible and would benefit the zone after the expiration of the agreement, and the zone meets one of the applicable criteria for reinvestment zones.

- After the hearing has taken place and the guidelines and criteria have been adopted, The taxing unit may, by official action, designate a reinvestment zone. Designation of an area as an enterprise zone under Chapter 2303 of The Texas Government Code constitutes designation of an area as a reinvestment zone without further hearing or other procedural requirements by the local taxing unit.

THE 150 ORGANIZATION AND ACTION SUMMARY

INTRODUCTION – The 150 is a movement for people who have been praying and voting, getting frustrated and are now led to act. Our purpose is to activate 150 men in each Texas County in a cooperative effort. The 150 is not a secret organization, a political party, nor a militia, but is a way to respond to the dangers of our community and state. It is a 'Coming Together' for our cooperative, mutual benefit. The introduction information meeting is called **Tier One**. It is simply informative in order to evaluate for yourself if you should participate in the activities that are parts of The 150 movement. We welcome like-minded people.

Tier One - Information

- A meeting for you and others in your community to determine for yourself if you are supposed to be a committed part of The 150 movement. Includes Q & A. If you commit and later discover that this is not for you, you may drop out at any time without prejudice. It is a cooperative effort to strengthen our State, Counties, and communities.

Tier Two - Assessment and Training

- After committing to your participation, you will get further understanding of where you fit in and understanding in your commitment. Training for your involvement takes place as we continue to form the citizens' infrastructure. You can evaluate and assess your skills, abilities, resources and interests that will help you and the team leaders identify which team(s) you are best suited for, where you will fit in best.

Action Teams - There are 3 areas of involvement needed: **Diplomacy, Community and Security**. Each Team will focus on their primary interest and sub-interests and can spill over into other teams.

DIPLOMACY TEAM - Focus will be on supporting elected and appointed public officials which include state and local authorities. Team Diplomacy will have several functions. Identify their officials by name and position, monitor their activities and voting records to determine needs of accountability. You will meet with these individuals to inform them of your activities and determine with them just how you can be supportive of them and help them fulfill their oaths of office to protect and defend our Citizens, and the Texas and U.S. Constitutions.

COMMUNITY TEAM - There are numerous areas of involvement in your community or county precincts. These areas will be identified as to leaders/contact persons, geographical areas such as county, precincts, neighborhoods, or other necessary communities or divisions.

We plan to develop a citizens' infrastructure that will include items below and more:

- Food – Sustainable co-operative food supply, growing of garden crops and livestock and resources that can be shared/traded within your community.
- Communication – Determine communication needs and abilities such as Ham Radio, Citizens Band, 2-way radios, walkie-talkies, telephones, etc.
- Transportation – Determine various needs, inventory and types of vehicles: pickup, automobile, 4 wheeler, motorcycle, bicycle, boats, etc.

SECURITY TEAM – Focus is on support of 'First Responders' with their county and community needs. Meet with the First Responders such as Sheriff, Constables, Police, Fire officials, Emergency Management, EMTs, Hospital, and others. Monitor their activities related to their oaths of office, accountability and determine with them how you can support them and their activities. Security Team 2nd responders, will be trained by Law Enforcement and under their supervision, authority and accountability.
