TEXAS 1033 SURPLUS PROPERTY PROGRAM
RELEASE OF LIABILITY

AGENCY: Texas County Sheriff's Office Waco, Texas . Texas
City, County

The Texas Law Enforcement Agency (LEA) designated above acknowledges receipt of excess property from the Department of Defense pursuant to Section 1033 of the National Defense Authorization Act for Federal Fiscal Year 1997 (the "Act"). Such excess property transferred pursuant to the Act may include small arms and ammunition (hereinafter referred collectively as the "Transferred Property")

The LEA acknowledges that the Transferred Property is considered excess to the needs of the Department of Defense and that the Transferred Property may be in any condition from new to unserviceable. The LEA acknowledges that there may be hazards associated with the use of the Transferred Property, which could cause damage to property and serious injury or death. The term "use" with respect to the Transferred Property is acknowledged to include, but is not limited to, active deployment, passive transportation and mere possession. The LEA agrees to provide appropriate or adequate training to any person who may use the property. The LEA agrees that it IS NOT the responsibility of the Department of Defense, the State of Texas or the Texas Department of Public Safety to provide appropriate or adequate training to any person using the Transferred Property.

The Department of Defense, the State of Texas nor the Texas Department of Public Safety assumes any liability for damages or injuries to any person or property arising from the use of the Transferred Property. By signing this agreement, the LEA agrees, subject to the appropriation of sufficient funds, to be solely responsible for any and all suits, actions, demands or claims of any nature arising for its use of the Transferred Property. The LEA agrees to maintain, at its expense, adequate liability and property damage insurance and workman's compensation insurance to cover any such claims.

The LEA accepts Transferred Property "as is" with no warranty of any kind. The Department of Defense, the State of Texas nor the Texas Department of Public Safety make any claims or warranties, expressed or implied, concerning the Transferred Property, including but not limited to warranty of fitness for a particular purpose.

The LEA acknowledges that any item of the Transferred Property meeting the definition of "machine gun" found in 26 U.S. C. 584(b)* must be registered with the Bureau of Alcohol, Tobacco and Firearms (BATF) with an ATF Form-10 (Application for Registration of Firearm Acquired by Certain Governmental Entities). Upon receipt of a properly executed Form-10, ATF will accept the registration of the machine gun and notify the LEA. Any machine gun registered in this manner is restricted for law enforcement use only. The LEA agrees to provide the State Coordinators Office a copy of an approved Form-10 for each machine gun that is part of any Transferred Property received. The LEA must execute a separate transfer agreement with the United States Army, through the 1033 Program, for any small arms/weapons.

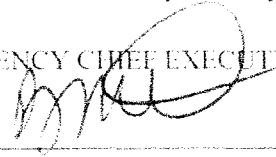

The LEA acknowledges that it is the sole responsibility for any and all costs associated with the Transferred Property, including but not limited to, packing, crating, handling, transportation, repossession and disposal.

The LEA acknowledges that Transferred Property may be disposed of only with written approval from the State Coordinator's Office and in accordance with local, state, federal laws and the regulations and guidelines of the 1033 Program prescribed by the Law Enforcement Support Office. The LEA specifically acknowledges that the preceding rule includes, but is not limited to the transfer, destruction or abandonment of any Transferred Property constituting small arms/weapons and weapon parts.

Subject to the conditions set forth herein, title to the Transferred Property is assumed by the LEA upon written acceptance hereof from the LEA.

By signing below, the Agency Chief Executive Official and the Authorized Official acknowledge and understand all previously stated guidelines and conditions.

RELEASE OF LIABILITY**

AGENCY: Tyler County Constable Pct. 2 Chester/Tyler, Texas
City / County

The Texas Law Enforcement Agency (LEA) designated above acknowledges receipt of excess property from the Department of Defense pursuant to Section 1033 of the National Defense Authorization Act for Federal Fiscal Year 1997 (the "Act"). Such excess property transferred pursuant to the Act may include small arms and ammunition (hereinafter referred collectively as the "Transferred Property").

The LEA acknowledges that the Transferred Property is considered excess to the needs of the Department of Defense and that the Transferred Property may be in any condition from new to unserviceable. The LEA acknowledges that there may be hazards associated with the use of the Transferred Property, which could cause damage to property and serious injury or death. The term "use" with respect to the Transferred Property is acknowledged to include, but is not limited to, active deployment, passive transportation, and mere possession. The LEA agrees to provide appropriate or adequate training to any person who may use the property. The LEA agrees that it IS NOT the responsibility of the Department of Defense, the State of Texas, or the Texas Department of Public Safety to provide appropriate or adequate training to any person using the Transferred Property.

The Department of Defense, the State of Texas nor the Texas Department of Public Safety assumes any liability for damages or injuries to any person or property arising from the use the Transferred Property. By signing this agreement, the LEA agrees, subject to the appropriation of sufficient funds, to be solely responsible for any and all suits, actions, demands or claims of any nature arising from its use of the Transferred Property. The LEA agrees to maintain, at its expense, adequate liability and property damage insurance and workman's compensation insurance to cover any such claims.

The LEA accepts Transferred Property "as is" with no warranty of any kind. The Department of Defense, the State of Texas nor the Texas Department of Public Safety make any claims or warranties, expressed or implied, concerning the Transferred Property, including but not limited to warranty of fitness for a particular purpose.

The LEA acknowledges that any item of the Transferred Property meeting the definition of "machine gun" found in 26 U.S. C. 584(b)* must be registered with the Bureau of Alcohol, Tobacco, and Firearms (BATF) with an ATF Form-10 (Application for Registration of Firearm Acquired by Certain Governmental Entities). Upon receipt of a properly executed Form-10, ATF will accept the registration of the machine gun and notify the LEA. Any machine gun registered in this manner is restricted for law enforcement use only. The LEA agrees to provide the State Coordinator's Office a copy of an approved Form-10 for each machine gun that is part of any Transferred Property received. The LEA must execute a separate transfer agreement with the United States Army, through the 1033 Program, for any small arms/weapons.

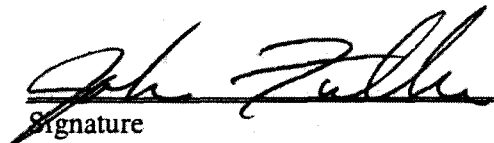

The LEA acknowledges that it is solely responsible for any and all costs associated with the transferred Property, including but not limited to, packing, crating, handling, transportation, repossession, and disposal.

The LEA acknowledges that Transferred Property may be disposed of only with written approval from the State Coordinator's Office and in accordance with local, state, federal laws, and the regulations and guidelines of the 1033 Program prescribed by the Law Enforcement Support Office. The LEA specifically acknowledges that the preceding rule includes, but is not limited to the transfer, destruction or abandonment of any Transferred Property constituting small arms/weapons and weapons parts.

Subject to the conditions set forth herein, title to the Transferred Property is assumed by the LEA upon written acceptance hereof from the LEA.

By signing below, the Agency Chief Executive Official and the Authorized Official acknowledge and understand all previously stated guidelines and conditions.

If approved by LESO, the State Coordinator will be contacted and provided with a LEA screener’s authorization memo (Authorization Letter for Property Screening and Receiving). Once enrolled, the LEA must acknowledge receipt of the memorandum of understanding (MOU) with the State Coordinator agreeing to the terms and conditions of the 1033 Program. It is the responsibility of the State/LEA to transport requested property from the DRMOs to their location. DLA will not fund the transportation cost.
- **Storage of Property:** Unless the State is authorized as a distribution center, it will be the gaining LEA responsibility to store property received through the 1033 Program. Distribution centers should only hold property for their specific customers not more than 90 days. After that date, disposition should be requested, in writing, from the LESO, via their State Coordinator.

The State Coordinator will contact the LESO for additional guidance.
- **Accountability of Property:** Each LEA and the State must maintain records for all property acquired through the 1033 Program. These records must provide an "audit trail" for individual items of property from receipt to distribution. These documents include but are not limited to the following: DRMS Form 103 with all justifications or printouts of automated requests, DD Form 1348 (receipt and turn-in), all disposal and transfer paperwork, approved Bureau of Alcohol, Tobacco and Firearms (ATF) Form 10s, Certificate of Aircraft Registration (AC Form 8050-3), Aircraft Registration Application (AC-Form 8050-1), and any pertinent paperwork through the LESO. - **Utilization of Property:** Property received through the 1033 Program must be placed into use within one (1) year of receipt and utilized for a minimum of one (1) year, unless the condition renders it unusable. If property is not placed in use within one (1) year of receipt, it must be

transferred to another authorized agency, or returned to a DRMO. Property returns/turn-ins must be coordinated through the applicable State Coordinator and LESO.

TAX AND GENERAL CERTIFICATE

This certificate is given in regard to Lease Purchase Agreement Number 63818 (the "Lease") between FIRST NATIONAL BANK DBA FIRST NATIONAL BANK LEASING and TYLER COUNTY (the "Governmental Entity"). The Lease payments in the Agreement contain both a principal component (for repayment to FIRST NATIONAL BANK DBA FIRST NATIONAL BANK LEASING for the principal amount it financed) and an interest component (as interest to FIRST NATIONAL BANK DBA FIRST NATIONAL BANK LEASING for making the financing available). The interest component is priced at a tax exempt interest rate.

The Governmental Entity hereby states for the benefit of FIRST NATIONAL BANK DBA FIRST NATIONAL BANK LEASING as follows:

1. The Governmental Entity has not and will not fund any other tax exempt debt transaction within 15 days of the funding of the Lease.
2. The Governmental Entity will own and operate the property financed by the Lease.
3. The Governmental Entity will spend all of the money advanced by FIRST NATIONAL BANK DBA FIRST NATIONAL BANK LEASING within no more than two weeks of the date the Lease is funded. None of these funds will be invested.
4. The Lease is not federally guaranteed.
5. The Lease is a privately placed bank loan and is not offered to the general public or a "public security" under Texas law.
6. There is no reserve fund or other specific fund established for payment of the Lease.
7. The proceeds of the Lease are not being used to reimburse the governmental Entity for any previous expenditure made by it. The proceeds of the Lease will be paid immediately to the vendor of the property.
8. The Lease is hereby designated by the Governmental Entity as a "qualified tax exempt obligation" under Section 265(b)(3) of the Internal Revenue Code. The reasonably anticipated amount of tax exempt obligations to be issued by the Governmental Entity during the same calendar year in which the Lease is funded will not exceed \$10,000,000. Additionally, in calculating the \$10,000,000 the Governmental Entity is including all tax exempt debt issued by local development corporations or other entities issuing "on behalf of" the Governmental Entity except private activity bonds other than Section 501(c)(3) bonds.
9. The weighted average maturity of the Lease (meaning when it is approximately one-half paid off) does not exceed 120% of the useful life of the property being financed.

General Provisions

1. The Lease has been duly authorized by the governing body of the Governmental Entity at a meeting which the open meeting notice was posted regarding the Lease transaction, and at which a quorum was present.
2. There is no litigation pending regarding the Lease, or to the best of the knowledge of the Governmental Entity threatened in regard to the Lease.
3. Entering the Lease does not constitute an event of default or contravene any other agreement to which the Governmental Entity is a party.
4. The Governmental Entity has the ability to pay the Lease provided the duty to pay the Lease is subject to annual appropriation as set forth in the Lease documents.
5. The property being financed is personal property for which bids were taken in the manner required by law.
6. The Governmental Entity will use the property for one of its essential purposes.

CONTRACT (LEASE) NO. _____ 63818 _____

FIRST NATIONAL BANK DBA FIRST NATIONAL BANK LEASING
1540 E. SOUTHLAKE BLVD.
SOUTHLAKE, TEXAS 76092

EQUIPMENT LEASE BY MUNICIPALITY

PARTIES:

Lessor: FIRST NATIONAL BANK DBA FIRST NATIONAL BANK LEASING
1540 E. SOUTHLAKE BLVD.
SOUTHLAKE, TEXAS 76092

Lessee: TYLER COUNTY
100 W. BLUFF
WOODYVILLE, TX. 75979
TAX ID # 74-6002576

TERMS AND CONDITIONS:

1.) **LEASE:** Lessor leases to Lessee, and Lessee leases from Lessor the Equipment listed in "Equipment Information" (the "Equipment"). Said Equipment will be located inside _____ TYLER _____ County and will not be moved to another location without written permission first given by Lessor. Lessor acknowledges receipt of the first Lease payment referred to on Exhibit 1 from Lessee. Any amounts received by the Lessor from Lessee, at or prior to the date of this Lease, in excess of the first Lease payment as shown on Exhibit 1, shall be held as security for the performance of the terms of this Lease. If Lessee is not in default hereunder, or under any other lease between the parties hereto, said security shall be applied toward the payment of Lease at the end of the term of this Lease, or (at Lessor's option) returned to Lessee.

2.) **ACCEPTANCE; DELIVERY:** Lessee agrees that it has selected the Equipment, and the Lessor shall not be liable for specific performance or for damages, if any, if for any reason the vendor delays or fails to fill the Equipment order. Lessee shall accept such Equipment as delivered by Lessor and authorizes Lessor to insert the serial number and any additional descriptive matter in "Equipment Information" in connection with the Equipment. Lessee represents that it has acquired the Equipment in accordance with applicable Texas bid or procurement law.

3.) **WARRANTIES AND REPRESENTATIONS:** Lessee agrees that all maintenance, service, and Equipment warranties, are the sole obligation of the vendor or supplier of the Equipment and not Lessor. Lessor authorizes the Lessee to enforce in Lessee's own name any warranty, agreement or representation, if any, which may be made regarding the Equipment by the vendor or supplier BUT LESSOR ITSELF MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE CONDITION OF THE EQUIPMENT AT TIME OF LEASE. Lessor specifically disclaims any representation or warrant with regard to merchantability or fitness for a particular use or purpose. Lessee has inspected the Equipment and has selected the Equipment to be financed by this Lease. Lessor is merely providing financing for such Equipment. Lessor is not the vendor of the Equipment, and Lessor makes no warranties in regard to the Equipment. All warranties regarding the Equipment, including but not limited to the warranties of MERCHANTABILITY and FITNESS FOR A PARTICULAR USE OR PURPOSE are expressly disclaimed by Lessor.

The disclaimers or limitations in this Section 3 do not apply to any warranties made by the vendor or supplier of the Equipment, all of which may be enforced by Lessee. Lessor retains all rights to make warranty claims and settle all warranty disputes on the Equipment in either Lessor's or Lessee's name and for Lessor's benefit without notice to, or consent from, Lessee.

4.) **LEASE PAYMENTS:** The total Lease payments for lease of the Equipment are shown on Exhibit 2. Lessee promises and agrees to pay all specified Lease payments in advance on or before the date designated for the payments in Exhibit 2 without demand. Said Lease payments shall be payable at the office of Lessor, or to such other person and/or at such other place as Lessor may from time to time designate to Lessee in writing.

In the event this Lease is not "bank qualified" under Section 265(b)(3) of the Internal Revenue Code or if the interest portion of the Lease payments is not excluded from federal income taxation, the Lease payments shall be recalculated using a "Gross Up Rate" (meaning a new interest rate on the amount funded by Lessor) of the *Wall Street Journal* Prime Rate +4% per annum, as in effect for the entire period of non-bank qualified status, or taxability.

5.) **LEASE TERM:** This Lease shall have a term commencing on the Date of Acceptance by Lessee (shown in the "Lessee's Acceptance") until the Lease End Date as set forth on Exhibit 1.

6.) **OWNERSHIP; RETURN; PERSONAL PROPERTY:** Subject to all rights granted to or retained by Lessor under this Agreement (including Lessee's unconditional obligation to return possession and title to the Equipment to Lessor at the end of the term of this Lease regardless of the reason for termination unless Lessee pays the Purchase Option Price in full) title to the Equipment shall be in the name of the Lessee. Upon the termination of this Lease for any reason, Lessee will immediately return said Equipment and all additions to the Equipment to Lessor in as good condition as received, normal wear and tear excepted, or Lessee may purchase the Equipment for the Purchase Option Price then in effect. Any profit or loss from disposition of the Equipment after it is returned to Lessor will be the sole property of Lessor. The Equipment shall always remain and be deemed personal property even though attached to realty. All replacements, Equipment repairs or accessories made to or placed in or upon said Equipment shall become a component part thereof, and title thereto shall be immediately vested in Lessor; and shall be included under the terms hereof. All advances made by Lessor to preserve said Equipment or to pay insurance premiums for insurance thereon or to discharge and pay any taxes, liens or encumbrances thereon shall be added to the unpaid balance of Lease Payments due hereunder and shall be repayable by Lessee to Lessor immediately together with interest thereon at the rate of the maximum rate allowed by law.

Lessee hereby grants to Lessor and Lessor's assigns a consensual security interest in and lien against the Equipment. If ownership of the Equipment is evidenced by a certificate of title (for example, a motor vehicle), such title shall be endorsed to show Lessor or Lessor's assigns as a lienholder. Lessee further consents to Lessor filing a UCC-1 Financing Statement to reflect Lessor's security interest in the Equipment. Lessee shall return the title, endorsed to Lessor or Lessor's assigns, at the same time Lessee returns the Equipment. Should Lessee fail to return the title endorsed to Lessor, Lessee hereby designates Lessor or Lessor's assigns as having full legal power and authority (including a limited irrevocable power of attorney coupled with an interest) either to apply for a new title in Lessor's name, or to endorse the current title to Lessor's name. At the end of the Term or other termination of this Agreement, if Lessee has not exercised its rights to purchase the Equipment, and paid the Purchase Option Price in full, the Equipment shall be returned to Lessor as provided above, and such return shall not be deemed a forced sale under Texas law.

7.) **PURCHASE OPTION:** If no Event of Default has occurred and is continuing, Lessee shall have the option at any time to purchase all (but not less than all) the Equipment at the price stated in Exhibit 1, plus any applicable sales taxes and fees (all being the "Purchase Option Price"), it being understood no taxes are due under current Texas law. Lessee must give Lessor irrevocable written notice at least 30 days before the purchase date that it will purchase the Equipment unless the purchase is being made at the end of the term of this Agreement and the Purchase Option Price is \$1.00. The Purchase Option Price as defined in Exhibit 1 shall be used for any purchase of the Equipment by the Lessee prior to the end of the scheduled term. Upon payment by Lessee of the Purchase Option Price, Lessor shall transfer all of Lessor's rights in the Equipment to Lessee AS-IS, WHERE-IS AND WITH ALL FAULTS without any representation or warranty whatsoever.

Lessee may also buy the Equipment at any time prior to the end of the full stated Lease term by paying to Lessor:

- (a) the remaining unpaid balance of the principal payments due for the entire stated term of the Lease shown on Exhibit 2 (the Lease payments have both a principal and interest component like any loan); plus
- (b) accrued but unpaid interest on such principal amount as of such purchase date.

The Lessor will calculate such payments and furnish them to Lessee as requested.

8.) **ASSIGNMENT:** Lessor may assign this Lease and its assignee may reassign the same, without the consent of Lessee. All rights of Lessor hereunder shall be succeeded to by any assignee hereof and said assignee's title to this Lease, to the Lease payments or other amounts due hereunder, and in and to the Equipment shall be free from all defenses, setoffs or counterclaims of any kind or character which Lessee may be entitled to assert against the original Lessor; it being understood and agreed that any assignee of Lessor does not assume any obligations of the original Lessor herein named.

Neither this Lease nor any interest herein is assignable or transferable by operation of law, or otherwise, by Lessee.

9.) **LOSS; DAMAGE; INSURANCE:** As between Lessor and Lessee, Lessee assumes the entire risk of loss from all use and operation of the Equipment and no such loss shall relieve Lessee of its obligations hereunder. To the full extent permitted by law, Lessee agrees to and does hereby release, indemnify and hold Lessor harmless, from and against all claims, costs, expenses, damages and liabilities, court costs including reasonable attorney fees resulting from or pertaining to the ownership, use or operation of the Equipment during the term of this Agreement subsequent to the termination or expiration of this Agreement or while said Equipment is otherwise in possession of the Lessee. Lessee agrees to keep the Equipment insured (i.e., property insurance) to protect all interests of Lessee and Lessor, at Lessee's expense, against all risks of loss or damage from every cause whatsoever for not less than the unpaid balance of the Lease payments due hereunder to maturity or 80% of the then current value of said Equipment, whichever is higher. Lessee shall further maintain commercial general liability insurance regarding injury, damage to the Equipment, injury or damages to third parties or death resulting out of the operation of the Equipment during the term hereof or while the Equipment is in the possession of Lessee, and including any liability of Lessor for public liability and property damage. Lessor may, but shall not be obligated to, insure said Equipment at the expense of Lessee for any purpose for which insurance may be purchased. The proceeds from such insurance policies shall be paid to Lessor as its interests may appear and Lessor shall be named as an additional insured and loss payee in all said policies. The proceeds of such insurance, whether resulting from loss or damage or return premium or otherwise, shall be applied toward the replacement or repair of the said Equipment or the payment of obligations of Lessee hereunder, at the option of Lessor or Lessor's assigns. Lessee hereby appoints Lessor and Lessor's assigns as Lessee's attorney-in-fact to make claims for, compromise and settle, receive payment of and execute or endorse all documents, checks or drafts for loss or damage or return premium under any insurance policy issued in regard to said Equipment.

Lessor and Lessee acknowledge that Lessor is only leasing the Equipment, and Lessor does not hold title to, use, operate, control or maintain the Equipment, all of which shall be done by Lessee during the term hereof.

10.) **USE; TAXES; INSPECTION AND CONDITION:** Lessee agrees to use, operate and maintain said Equipment in accordance with all applicable laws; to pay all licensing or registrations fees for said Equipment and to keep the same free of levies, liens and encumbrances; to file all personal property tax returns (if any are due on the Equipment), to pay all taxes, assessments, fees and penalties which may be levied or assessed on or in respect to said Equipment or its use or any interest therein, or upon the Lease payments (provided Lessor shall pay its own income taxes on the Lease payments), including but not limited to, all federal, state and local taxes, however designated, levied or assessed upon the Lessee and Lessor or either of them in regard to said Equipment, or upon the use or operation thereof. Lessee shall permit Lessor to inspect said Equipment at any time; and to keep it in first class condition and repair at Lessee's expense and house the same in suitable shelter; and not to sell or otherwise dispose of Lessee's interest therein or in any additions or accessories attached thereto during the term of this Lease.

11.) **EVENTS OF DEFAULT; REMEDIES; LATE CHARGES; EXPENSES OF ENFORCEMENT:**

(a) **Events of Default.** In the event Lessee shall default in the payment of any Lease payment due, or any other sums due hereunder for a period of fifteen (15) days or more, or in the event of any default or breach of the terms and conditions of this Lease, or any other lease between the parties hereto, or if any execution or other writ or process shall be issued in any action or proceeding, against the Lessee, whereby the said Equipment may be taken or distrained, or if a proceeding in bankruptcy, receivership or insolvency shall be instituted by or against the Lessee or its property, or if the Lessee shall enter into any agreement or composition with its creditors, breach any of the terms of any loan or credit agreement, or default thereunder, or if the condition of the Lessee's affairs shall so change as to, in the Lessor's opinion, impair the Lessor's security or increase the credit risk involved, then and in that event Lessee shall return the Equipment as provided in Section 6 and Section 11(b). If Lessee fails to do so, the Lessor shall have the right to retake immediate possession of the Equipment, and for such purpose, the Lessor may enter upon any

premises where said Equipment may be and may remove the same therefrom with or without notice of its intention to do same, without being liable to any suit or action or other proceeding by the Lessee.

(b) **Remedies.** If this Lease terminates by reason of event of default (Section 11), non-appropriation (Section 14) or otherwise prior to the end of the entire Lease term shown on Exhibit 1, and if Lessee has not paid the applicable Purchase Option Price Lessor's remedies shall be the following:

- (i) Lessee shall return the Equipment to Lessor as provided in Section 6.
- (ii) Lessor may retain all Lease payments previously paid by Lessee.
- (iii) Upon return of the Equipment full legal title thereto shall be automatically vested in Lessor, and Lessee will deliver evidence of title as provided in Section 6.
- (iv) After return of the Equipment, Lessor may, at its option, sell the Equipment at public or private sale for cash or on credit and may become the purchaser at such sale. Any gain or loss on such sale shall accrue and belong to Lessor.
- (v) Lessor may enforce its rights hereunder by writ of mandamus.

(c) **Late Charges.** Whenever any payment is more than ten (10) days late, the Lessee promises to pay to the Lessor or its assigns, not later than one month thereafter, an amount calculated at the rate of the lesser of (i) five cents per one dollar of each such delayed payment and to make such payments as liquidated damages occasioned by such delay, if allowed by law, or (ii) the maximum rate allowed by law.

(d) **Expense of Enforcement.** Upon default under any provision of this Lease, the Lessee shall be liable for arrears of lease payments, during any period for which Lessee has made appropriation under Section 14, if any. Further, if Lessee fails to return the Equipment (and title, if any) to Lessor, Lessee shall be liable for (i) the expense of re-taking possession and the removal of the Equipment, (ii) court costs, and (iii) Lessor's reasonable attorney fees.

12.) **NON-WAIVER:** The omission by the Lessor at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants or provisions hereof by the Lessee at any time designated, shall not be a waiver of any such default or right to which the Lessor is entitled, nor shall it in any way affect the right of the Lessor to enforce such provisions thereafter. The Lessor may exercise all remedies simultaneously, pursuant to the terms hereof, and any such action shall not operate to release the Lessee until the full amount of the Lease Payments due and to become due and all other sums to be paid hereunder have been paid in cash.

13.) **SEVERABILITY:** The provisions of this Lease are severable, and if any one of such provisions are determined to be illegal or unenforceable, the same shall not impair the effectiveness of the remaining provisions hereof.

14.) **SPECIAL PROVISIONS: FISCAL FUNDING:** The Lessee warrants that it has funds available to pay the Lease payments payable pursuant to this Agreement until the end of its current appropriation period and warrants that it presently intends to make payments in each appropriation period from now until the end of the Lease term. The officer of the Lessee responsible for preparation of Lessee's annual budget shall request from its legislative body funding to be paid to Lessor under this Agreement. If notwithstanding the making in good faith of such request in accordance with appropriate procedures and with the exercise of reasonable care and diligence, such legislative body over funding authority does not appropriate funds to be paid to Lessor then at the end of the fiscal year for which Lessee has made appropriation, Lessee shall be released of its obligation to make Lease payments to Lessor due after the end of the period for which appropriation was made, provided the Equipment (and any related title documents) are returned to Lessor by Lessee and at Lessee's expense, in good condition, normal wear and tear excepted. In addition to return of the Equipment pursuant to the terms of this Agreement, Lessor shall retain all sums paid by Lessee and for which appropriation was made. All obligations and payments required of Lessee herein shall be subject to appropriation by Lessee of sufficient funds.

To the extent permitted by law, (i) Lessee may not terminate the Lease in order to purchase, rent or lease property performing functions similar to those performed by the Equipment through the stated maturity date of the Lease, and (ii) Lessee agrees

not to permit functions similar to those performed through the use of the Equipment to be performed by its own employees or by any agency or entity affiliated with or hired by the Lessee.

THIS LEASE IS SUBJECT TO THE TERMS AND CONDITIONS PRINTED ABOVE WHICH ARE MADE A PART HEREOF AND WHICH LESSEE ACKNOWLEDGES THAT IT HAS READ. LESSEE REPRESENTS THAT ALL ACTION TO AUTHORIZE THE EXECUTION OF THIS AGREEMENT ON BEHALF OF THE LESSEE BY THE FOLLOWING SIGNATORIES HAS BEEN TAKEN.

COUNTY OF Tyler

AMENDMENT ONE [LEASE OF STATE OF TEXAS REGISTRATION AND TITLE SYSTEM (RTS) INFORMATION RESOURCES AND SUPPORT] TO AGREEMENT FOR THE USE OF STATE OF TEXAS AUTOMATION EQUIPMENT

THIS AMENDMENT is made between the "State" and the "County" pursuant to the addition of SECTION 1, Subchapter A, Chapter 520, Section 520.0093 of the Texas Transportation Code as enacted by the 82nd Legislature of the State of Texas for the purposes of providing the County of Tyler, Texas an option to lease additional RTS workstations/items directly from the State. This amendment incorporates all the terms and provisions regarding responsibility for: equipment installation, RTS programming and hardware/software configuration, security, maintenance, equipment repair and replacement, equipment movement, unauthorized equipment use, building electrical requirements, accountability/inventory of equipment, training, and supplies provided in the Agreement for the Use of State of Texas Automation Equipment dated _____.

In addition to the provisions of the original county agreement, TxDMV's responsibility for equipment installed at non-county tax assessor-collector sites; e.g. privately owned, for profit enterprises performing registration and title functions for the county tax office; will be limited to ensuring the equipment remains operational. The county will be responsible for all training, user support, forms, supplies, user policy and procedures, etc., associated with this leased equipment. This amendment will remain in force for as long as the Agreement for the Use of State of Texas Automation Equipment remains effective.

This Amendment provides a new option for the County to obtain additional RTS Information Resources and Support not identified in the Agreement for Use of State Automation Equipment. The process for requesting these resources and annual cost and billing information associated with this lease are included in Exhibit A to this Amendment.

RTS workstations identified below and/peripheral equipment identified on Exhibit A which are leased under the provisions of this amendment will be installed following approval of the County Commissioner's Court. This amendment will be signed below by the County Judge or will be supported by a certified copy of the Commissioner's Court Order or Resolution which will be attached, and the Director of the Vehicle Titles and Registration Division of the Texas Department of Motor Vehicles.

* * *

The County of Tyler, Texas will lease 1 additional RTS workstation(s)/items and requests that it/they be installed at the following County Tax Office manager or controlled site(s):

Site Name	New (N) or Existing (E) Site	Site Address	Number of Items

State of Texas, County of Tyler**

1. If a County desires additional RTS information resources, e.g. workstations or peripheral equipment, beyond that which is allocated by the State, the equipment and support may be leased **at County expense** from the State. Counties should contact their supporting Vehicle Titles and Registration Division Regional Office for information and the necessary form to amend their existing Agreement for the Use of State of Texas Automation Equipment, that is, their "County Agreement."
2. Submitting a signed amendment form to Jeremiah Kuntz, Director, Vehicle Titles and Registration Division, will constitute the County's formal request to lease RTS workstations and will signify that the County Tax Assessor-Collector has the funds necessary to lease this equipment.
3. The cost of leasing a basic RTS workstation will be \$1,500 per year, except if the installation is at a new site that is a site where RTS has not previously been installed. In this case, a "one time" additional fee of \$2,500 for the first workstation will be charged. The cost of leasing other RTS information resources and support is reflected below. Counties will identify the type and amount of the equipment desired by appropriately annotating this quantity below.
4. During the first year of installation, the county will be billed during the month immediately following the month in which the equipment is installed for the pro-rated portion of the State fiscal year that remains. Thereafter, billing will occur annually during the first month of the State's fiscal year (September).
5. The county may request the State remove the equipment at any time and it will be removed within 30 days of the request being received by TxDMV. The county will forfeit any portion of the annual lease fee that remains.
6. Equipment leased by a county will remain in the county unless replaced by the State or until the County requests that it be removed.
7. Annual costs for the above equipment and services are subject to change annually. Counties will be notified at least 90 days in advance of proposed changes.
8. Counties will annotate below (by site and quantity) equipment requirements. Total annual costs can be projected using the table provided. TxDMV will compute final costs and the county will be billed in accordance with paragraph 4 above.
