INTERLOCAL AGREEMENT

This Interlocal Agreement (the "Agreement") is made by and between **LUBBOCK COUNTY, TEXAS** ("LUBBOCK COUNTY"), a political subdivision of the State of Texas, acting through the Regional Public Defender for Capital Cases (the "PD"), and **TYLER COUNTY, TEXAS** ("PARTICIPANT"), a political subdivision of the State of Texas, (also, individually, a "Party" or, collectively, the "Parties"). This Agreement is made pursuant to the Fair Defense Act, Texas Code of Criminal Procedure 26.044(b), and Texas Government Code Chapter 791.

RECITALS

WHEREAS, each Party finds: 1) that the subject of this Agreement is necessary for the benefit of the public; and 2) that it has the legal authority to perform and to provide the government function or service which is the subject matter of this Agreement; and,

WHEREAS, the performance of this Agreement by LUBBOCK COUNTY and PARTICIPANT will be in the common interest of the Parties;

NOW, THEREFORE, the Parties agree as follows:

ARTICLE I PROGRAM

1.01 **Program Purpose and Term**. The Regional Public Defender for Capital Cases (the "PD"), funded proportionately by the Texas Indigent Defense Commission Multi-Year Discretionary Grant Program Funds (the "TIDC"), will provide court-appointed counsel for individuals charged with the offense of capital murder (death-eligible) in the participating counties and who cannot afford to hire their own attorney. Inmates in units of the Texas Department of Criminal Justice within the region who are charged with capital murder will continue to be represented by the State Counsel on Offenders, or by private counsel in the case of a conflict. Capital murder cases filed against inmates in units of the Texas Department of Criminal Justice shall not be counted in the average number of capital murder cases filed in a county.

Participant recognizes that counties from other Administrative Regions are also participating in the program. Each county's participatory costs are based upon funding by the Texas Indigent Defense Commission Multi-Year Discretionary Grant Program Funds in the amount of \$1,300,000 for FY16 and \$1,300,000 for FY17 as appropriated by the 84th Texas Legislature, and cost-sharing commensurate with all eligible counties applicable inclusion in the program.

Pursuant to continued funding, the TIDC is anticipated to provide funds to operate the PD in the amount of \$2,230,400 for FY16 and the amount of \$1,194,188 for FY17 in addition to the legislative appropriation heretofore described in the paragraph above. It is possible that the TIDC may consider additional funding mechanisms during Fiscal Years

2016 and 2017; however, the TIDC funding is not anticipated to be less than detailed above. In order to provide sustainable funding for the PD office and a fund balance for emergency situations, counties in the region will contribute (with a minimum contribution of \$1,000 per county) per the detailed county allocation schedule marked as Attachment 1 and incorporated herein for all purposes. Based upon this cost-sharing approach, participating counties shall provide the remaining operating costs based upon a formula taking into account the population of the county as a percentage of the whole of the 240 eligible counties (50%) and the average number of capital murder cases filed between 2003 and 2013 as a percentage of the 240 eligible counties (50%).

The Interlocal Agreements shall become effective October 1, 2015, and continue through September 30, 2016. Thereafter, the agreements shall renew automatically each October 1st for a successive one-year term through September 30, 2017, unless otherwise terminated under this agreement.

- 1.02 **Judges Authorized to Appoint PD.** The District Courts in the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th and 9th Administrative Judicial Regions in eligible counties may participate in the Program. The Program allows the Honorable Judge(s) of the Judicial District having jurisdiction within PARTICIPANT's geographic boundaries to appoint the PD for the trial defense of death-eligible capital murder cases. In the event of a conflict of interest among defendants or a legal liability for the PD which prevents acceptance of an appointment, the trial court shall appoint an attorney or attorneys other than the PD at the PARTICIPANT's expense.
- 1.03 **Duties and Responsibilities of the PD.** The PD will represent defendants at the trial or re-trial phase only. All decisions pertaining to the presentation of the case will be at the sole discretion of the PD. The PD will at all times be guided by and comply with his or her duties as a licensed attorney in the State of Texas and the Texas Disciplinary Rules of Professional Conduct in making these determinations.
- 1.04 **Program Analysis.** At least quarterly throughout the period of the grant and at the end thereof, the PD will prepare an analysis of the Program, as well as an estimated cost for PARTICIPANT's continued participation after all grant funds are expended. The analysis will consist of a fiscal analysis and an analysis of the effectiveness of the PD in meeting pre-established goals and objectives. The PD will provide copies of the analysis to PARTICIPANT's Commissioners Court and to the Honorable Judges identified of the Participating Administrative Judicial Regions. PARTICIPANT shall have three months from the date the cost analysis is provided to the Commissioners Courts to consider the analysis and determine whether it will continue to participate in the Program. If PARTICIPANT requests to continue participating in the Program, a new interlocal agreement as to funding and the funding cycle will be necessary.
- 1.05 **Data for the Analysis.** As consideration for its participation in the Program, PARTICIPANT agrees to provide the PD information as needed to conduct the analysis, including the current payment schedule for court-appointed counsel on capital murder

cases, and the previous five fiscal years' data on the amount PARTICIPANT paid for appointed counsel on capital murder cases, if available.

- 1.06 **Additional Experts.** PARTICIPANT will continue to incur the expense of additional experts as approved by the local court.
- 1.07 **Fact Investigators and Mitigation Specialists.** The PD will provide a fact investigator and mitigation specialist to cases assigned to the PD office.
- 1.08 **No other Costs Incurred.** Neither the TIDC nor the PD will assume any additional costs associated with representation of indigent defendants. Costs of interpreters or any other collateral cost must be absorbed by PARTICIPANT.

The effective date of voluntary withdrawal shall be one hundred and eighty (180) calendar days after the withdrawing Participant gives notice to LUBBOCK COUNTY.
- (b) **Involuntary Withdrawal.** PARTICIPANT shall be deemed to have involuntarily withdrawn from the Agreement upon the failure by the PARTICIPANT to pay any

cost-sharing payment by the due date, as provided in a notice to the PARTICIPANT. PARTICIPANT shall be given thirty (30) days written notice of non-payment by the PD office and shall not be deemed to be in default until the expiration of thirty (30) days after receipt of the written notice.

(c) In the event that PARTICIPANT withdraws under (a) or (b) and the PD is representing an individual or individuals after having been appointed by a court in PARTICIPANT'S county, beginning on the effective date of the withdrawal, PARTICIPANT shall be responsible for timely payment of \$150.00 per hour for the first chair attorney, \$125.00 per hour for the second chair attorney, \$60.00 per hour for the mitigation specialist and \$50.00 per hour for the investigator. Additionally, PARTICIPANT shall also timely pay upon receipt and documentation all investigative costs incurred by the PD including but not limited to travel, lodging, meals and records collection.

INTERLOCAL AGREEMENT

This Interlocal Agreement (the "Agreement") is made by and between **LUBBOCK COUNTY, TEXAS** ("LUBBOCK COUNTY"), a political subdivision of the State of Texas, acting through the Regional Public Defender for Capital Cases (the "PD"), and **TYLER COUNTY, TEXAS** ("PARTICIPANT"), a political subdivision of the State of Texas, (also, individually, a "Party" or, collectively, the "Parties"). This Agreement is made pursuant to the Fair Defense Act, Texas Code of Criminal Procedure 26.044(b), and Texas Government Code Chapter 791.

RECITALS

WHEREAS, each Party finds: 1) that the subject of this Agreement is necessary for the benefit of the public; and 2) that it has the legal authority to perform and to provide the government function or service which is the subject matter of this Agreement; and,

WHEREAS, the performance of this Agreement by LUBBOCK COUNTY and PARTICIPANT will be in the common interest of the Parties;

NOW, THEREFORE, the Parties agree as follows:

ARTICLE I PROGRAM

- 1.01 **Program Purpose and Term**. The Regional Public Defender for Capital Cases (the "PD"), funded proportionately by the Texas Indigent Defense Commission Multi-Year Discretionary Grant Program Funds (the "TIDC"), will provide court-appointed counsel for individuals charged with the offense of capital murder (death-eligible) in the participating counties and who cannot afford to hire their own attorney. Inmates in units of the Texas Department of Criminal Justice within the region who are charged with capital murder will continue to be represented by the State Counsel on Offenders, or by private counsel in the case of a conflict. Capital murder cases filed against inmates in units of the Texas Department of Criminal Justice shall not be counted in the average number of capital murder cases filed in a county.

Participant recognizes that counties from other Administrative Regions are also participating in the program. Each county's participatory costs are based upon funding by the Texas Indigent Defense Commission Multi-Year Discretionary Grant Program Funds in the amount of \$1,300,000 for FY16 and \$1,300,000 for FY17 as appropriated by the 84th Texas Legislature, and cost-sharing commensurate with all eligible counties applicable inclusion in the program.

Pursuant to continued funding, the TIDC is anticipated to provide funds to operate the PD in the amount of \$2,230,400 for FY16 and the amount of \$1,194,188 for FY17 in addition to the legislative appropriation heretofore described in the paragraph above. It is possible that the TIDC may consider additional funding mechanisms during Fiscal Years

2016 and 2017; however, the TIDC funding is not anticipated to be less than detailed above. In order to provide sustainable funding for the PD office and a fund balance for emergency situations, counties in the region will contribute (with a minimum contribution of \$1,000 per county) per the detailed county allocation schedule marked as Attachment 1 and incorporated herein for all purposes. Based upon this cost-sharing approach, participating counties shall provide the remaining operating costs based upon a formula taking into account the population of the county as a percentage of the whole of the 240 eligible counties (50%) and the average number of capital murder cases filed between 2003 and 2013 as a percentage of the 240 eligible counties (50%).

The Interlocal Agreements shall become effective October 1, 2015, and continue through September 30, 2016. Thereafter, the agreements shall renew automatically each October 1st for a successive one-year term through September 30, 2017, unless otherwise terminated under this agreement.

- 1.02 **Judges Authorized to Appoint PD.** The District Courts in the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th and 9th Administrative Judicial Regions in eligible counties may participate in the Program. The Program allows the Honorable Judge(s) of the Judicial District having jurisdiction within PARTICIPANT's geographic boundaries to appoint the PD for the trial defense of death-eligible capital murder cases. In the event of a conflict of interest among defendants or a legal liability for the PD which prevents acceptance of an appointment, the trial court shall appoint an attorney or attorneys other than the PD at the PARTICIPANT's expense.
- 1.03 **Duties and Responsibilities of the PD.** The PD will represent defendants at the trial or re-trial phase only. All decisions pertaining to the presentation of the case will be at the sole discretion of the PD. The PD will at all times be guided by and comply with his or her duties as a licensed attorney in the State of Texas and the Texas Disciplinary Rules of Professional Conduct in making these determinations.
- 1.04 **Program Analysis.** At least quarterly throughout the period of the grant and at the end thereof, the PD will prepare an analysis of the Program, as well as an estimated cost for PARTICIPANT's continued participation after all grant funds are expended. The analysis will consist of a fiscal analysis and an analysis of the effectiveness of the PD in meeting pre-established goals and objectives. The PD will provide copies of the analysis to PARTICIPANT's Commissioners Court and to the Honorable Judges identified of the Participating Administrative Judicial Regions. PARTICIPANT shall have three months from the date the cost analysis is provided to the Commissioners Courts to consider the analysis and determine whether it will continue to participate in the Program. If PARTICIPANT requests to continue participating in the Program, a new interlocal agreement as to funding and the funding cycle will be necessary.
- 1.05 **Data for the Analysis.** As consideration for its participation in the Program, PARTICIPANT agrees to provide the PD information as needed to conduct the analysis, including the current payment schedule for court-appointed counsel on capital murder

cases, and the previous five fiscal years' data on the amount PARTICIPANT paid for appointed counsel on capital murder cases, if available.

- 1.06 **Additional Experts.** PARTICIPANT will continue to incur the expense of additional experts as approved by the local court.
- 1.07 **Fact Investigators and Mitigation Specialists.** The PD will provide a fact investigator and mitigation specialist to cases assigned to the PD office.
- 1.08 **No other Costs Incurred.** Neither the TIDC nor the PD will assume any additional costs associated with representation of indigent defendants. Costs of interpreters or any other collateral cost must be absorbed by PARTICIPANT.

- 2.05 **Force Majeure.** If the performance of any obligation under this Agreement is delayed by something reasonably beyond the control of the Party obligated to perform ("Force Majeure"), that Party shall be excused from performing the obligation during that period, so that the time period applicable to the performance shall be extended for a period of time equal to the period that Party was delayed due to the event of Force Majeure.
- 2.06 **Severability.** In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein.
- 2.07 **Prior Agreements Superseded.** This Agreement constitutes the only agreement of the Parties and supersedes any prior understanding or written or oral agreements between the Parties respecting the within subject matter.
- 2.08 **Amendments.** In order to be binding, an amendment to this Agreement must be in writing, dated subsequent to the date of this Agreement, and executed by the Parties.
- 2.09 **Withdrawal by Party.**
- (a) **Voluntary Withdrawal.** Voluntary withdrawal by PARTICIPANT from the Agreement shall occur upon the affirmative decision by PARTICIPANT's Commissioners Court to withdraw from the Agreement and the withdrawing PARTICIPANT giving at least one hundred and eighty (180) calendar days' notice to LUBBOCK COUNTY and the PD. The effective date of voluntary withdrawal shall be one hundred and eighty (180) calendar days after the withdrawing Participant gives notice to LUBBOCK COUNTY.
- (b) **Involuntary Withdrawal.** PARTICIPANT shall be deemed to have involuntarily withdrawn from the Agreement upon the failure by the PARTICIPANT to pay any

cost-sharing payment by the due date, as provided in a notice to the PARTICIPANT. PARTICIPANT shall be given thirty (30) days written notice of non-payment by the PD office and shall not be deemed to be in default until the expiration of thirty (30) days after receipt of the written notice.

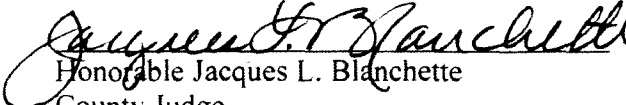

(c) In the event that PARTICIPANT withdraws under (a) or (b) and the PD is representing an individual or individuals after having been appointed by a court in PARTICIPANT'S county, beginning on the effective date of the withdrawal, PARTICIPANT shall be responsible for timely payment of \$150.00 per hour for the first chair attorney, \$125.00 per hour for the second chair attorney, \$60.00 per hour for the mitigation specialist and \$50.00 per hour for the investigator. Additionally, PARTICIPANT shall also timely pay upon receipt and documentation all investigative costs incurred by the PD including but not limited to travel, lodging, meals and records collection.

The Honorable Jacques Blanchette
County Judge
and Commissioner's Court Members
COUNTY OF TYLER
100 West Bluff Street, Room 102
Woodville, Texas 75979

Dear Judge Blanchette and Commissioner's Court Members:

We appreciate the opportunity to provide this Proposal for grant administration and management services for the County of Tyler's FY 2015 Texas Community Development Program (TCDP) Senior Citizen Center Project.

David J. Waxman, Inc. has worked with many Texas Cities and Counties, as well as Louisiana towns and parishes, administering Community Development Block Grants. We have been involved with the Community Development Block Grant Program since its inception, thus allowing David J. Waxman, Inc. to gain valuable insights into the needs and problems to be addressed by the Texas Department of Rural Affairs' Community Development Program as administered by the State of Texas. This "awareness" will enable my firm to work with you, the Commissioner's Court, the County staff, the County's engineers and interested citizens in successfully implementing the Grant for Community Development funded by the State of Texas. We wrote the grant application and we feel we understand the project thoroughly. Our past experience with grant administration and in working with you on past TCDP projects will also help us administer your TCDP project and coordinate the Senior Citizen Center Project with the County's other Community Development efforts.

It is our goal to assist clients by producing dollar-conscious and workable programs. Our approach is implemented within a philosophical framework that stresses the importance of developing a workable program that meets citizens' needs while remaining within the parameters of the County of Tyler's long-range objective.

I. SUMMARY

DAVID J. WAXMAN, INC.
Planning Consultant

SUMMARY

The successful obtaining, administration and implementation of a Community Development Program is based on five factors:

- * A knowledge of the Program;
- * A clear ability to demonstrate what is to be accomplished and how;
- * A staff capability to direct each project activity;
- * A knowledge of the program design and goals as originally developed; and
- * An ability to work with other professionals necessary to implement the program.

We provide a range of grantsmanship, planning, administrative and technical services which lead to the goal of successful project implementation. Our present in-house staff is capable of developing and implementing the activities contained in an application, whether single purpose or multi-purpose.

If selected, DAVID J. WAXMAN, INC. proposes to use a planning process that is professionally vigorous in analyzing all of the relevant environmental and socio-economic factors affecting the obtaining and implementation of the program. This process is at all times aimed at making practical, constructive recommendations.

In order to implement your program, the administrative process will require input from a number of different disciplines. No one single discipline has both the depth and breadth of knowledge to accomplish this. Therefore, this obviates the need for contributions of other disciplines for the development of solutions that are practical and efficient -- yet innovative and sensitive.

Because we believe that a multi-dimensional problem deserves a team with multi-dimensional expertise we put together a multi-disciplinary staff for each project. Our expertise includes:

III. FIRM QUALIFICATION

DAVID J. WAXMAN, INC.
Planning Consultant

FIRM QUALIFICATION

The firm of DAVID J. WAXMAN, INC., (formerly Semetko & Waxman, Inc.), was established in 1976 to serve federal, state and local governments and private developers in various aspects of Grantsmanship, Grant Administration and Management, Housing Rehabilitation, Subdivision Development, Real Property Acquisition and Planning for Growth and Development. Since the inception of the Community Development Block Grant Program, DAVID J. WAXMAN has worked successfully with federal, state, regional and local entities in all phases of the Program's implementation. In addition, Mr. Waxman has many years of experience with the categorical programs (both physical facility and social programs) and the Model City Program, which were the forerunners and the basis of the Housing and Community Development Act.

The firm has and is administering and managing various single-purpose and comprehensive CDBG Programs covering such Project activities as the following:

Real Property Acquisition (Rights-of-Way)

Sheltered Workshops for the Mentally and Physically Handicapped Senior Citizen Centers

Public Services

Demolition

Interim Assistance

Public Works:

- Natural Gas Systems
- Streets
- Sewer/Water
- Lighting
- Fencing
- Road Paving
- Neighborhood Centers
- Drainage

FIRM QUALIFICATION (Cont.)

Land Acquisition for Assisted Housing

Subdivision Development for Assisted Housing

Housing Rehabilitation

Public Housing Modernization

Code Enforcement

Fire Control and Rescue

Economic Development

The Firm has administered eleven (11) funded Imminent Threat Grants and has completed all successfully: Vidor, Texas -- Sewer -- \$500,000.00 (Complete); Hemphill, Texas -- Gas System -- \$1,250,000.00 (Complete); Huntington, Texas - - Gas System -- \$750,000.00 (Complete); and Lake Providence, Louisiana -- Water/Sewer -- \$750,000.00 (Complete) are some of the Projects.

In addition, the Firm has completed such CDBG-related studies as the Newton County Flood Plain Regulation Project, the Newton County Community Development Plan, Browndell Community Development Plan, Trinity Community Development Plan, Corrigan Community Development Plan and the San Jacinto County and Polk County Housing Studies, among others.

These project activities were designed to meet the special needs of the target groups which they serve, such as Senior Citizen Centers for the Elderly and Sheltered Workshops for the Mentally and/or Physically Handicapped, as well as addressing the cities, counties and parishes overall needs, such as Street Paving, Water, Sewer, Drainage and Parks. Careful planning of the overall program design and careful selection of priorities allows any entity to save money, meet the needs of the target groups and, at the same time, implement its overall development strategy. The inter-relationship of all of the activities funded by the Community Development Block Grant Project is both obvious and essential to maximizing results and cost containment. Even the method of implementation is critical to success. For example, the client may wish to do some

FIRM QUALIFICATION (cont.)

projects by Force Account (client's forces) in order to save money or expand the scope of the project with reimbursement from the Community Development Block Grant. The decision to do Force Account work must include such factors as availability of manpower, time factors, skill levels, equipment availability and the day-to-day work load of the client's existing staff.

In order to achieve real success, it is critical for the entity and its representatives to have a grasp of needs, projects to meet those needs, and the project's relationship to overall strategy and methodology of program and project implementation. And, what is success? Perhaps it is the right projects to meet the maximum needs of the most persons for the least money within the scope of the Community Development Block Grant Program.

A special field of expertise provided by the Firm is in the field of Economic Development. Successful projects include UDAG, E.D.A., Texas Economic Development Program and Louisiana Economic Development Program funding. Project types include Garment Industry, Aluminum Fabrication, Printing and Agriculture-related projects, as well as Steel Fabrication and the Paper Industry.

Re: FY16 Formula Grant Request for Applications

Dear Judge Blanchette:

The Texas Indigent Defense Commission announces the attached FY16 Formula Grant Request for Applications (RFA). **Applications are due November 16, 2015.** The attached packet provides information on what is needed for counties to obtain the FY16 Formula Grant funds.

The local administrative judges and chairs of Juvenile Boards must submit their biennial indigent defense plans by November 2, 2015 through our on-line system (<https://tidc.tamu.edu>) at any time. Staff will continue to work with counties to ensure that all of the statutory and Commission required elements are included in each plan if judges make amendments. Also, financial officers must submit their Indigent Defense Expense Report by November 1, 2015. Both of these requirements are directed in Texas Government Code §79.036.

This FY16 Formula Grant packet is sent to all 254 constitutional county judges. A courtesy letter will be sent to all local administrative district and statutory judges and county financial officers informing them of these available grant funds. The Commission adopted Texas Administrative Code Chapter 173 in order to implement the grant authority established by the Texas Legislature. These administrative rules and the attached RFA are available at: www.tidc.texas.gov. The rules and the RFA establish the guidelines for the administration of grant funds and application submission process for FY16.

Please contact Edwin Collfax, Grant Program Manager (ecollfax@tidc.texas.gov) toll free in Texas at (866) 499-0656, if you have any questions about the FY16 Formula Grant or the application process.

Sincerely,
Sharon Keller
Chair, Texas Indigent Defense Commission
Presiding Judge, Court of Criminal Appeals
