Subject: Re: [External] RE: Change of length of enrollment period

No problem. When an account is opened with Aflac, we have to enter how long the account will have for their open enrollment and to see new hires. Large accounts always have a 90 day enrollment period. That allows us to start open enrollment early (if need be), get changes and new policies taken care of, and have plenty of time to get payroll deductions to you. Tyler County account was set up with a 30 day. We are usually able to do the OE in 30 days, but need a little more time to meet up with new hires, etc.

I hope this helps.

Good morning Juli-

This will have to go before court before I can sign (12/14). Can you remind me again as why this is necessary or beneficial? My Court will ask.
