

Sec. 26.05. TAX RATE. (a) The governing body of each taxing unit shall adopt a tax rate for the current tax year and shall notify the assessor for the taxing unit of the rate adopted. The governing body must adopt a tax rate before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the taxing unit, except that the governing body must adopt a tax rate that exceeds the voter-approval tax rate not later than the 71st day before the next uniform election date prescribed by Section 41.001, Election Code, that occurs in November of that year. The tax rate consists of two components, each of which must be approved separately. The components are:

(1) for a taxing unit other than a school district, the rate that, if applied to the total taxable value, will impose the total amount described by Section 26.04(e) (3) (C), less any amount of additional sales and use tax revenue that will be used to pay debt service, or, for a school district, the rate calculated under Section 44.004(c) (5) (A) (ii) (b), Education Code; and

(2) the rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the taxing unit for the next year.

(b) A taxing unit may not impose property taxes in any year until the governing body has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order, depending on the method prescribed by law for adoption of a law by the governing body. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. For a taxing unit other than a school district, the vote on the ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be a record vote, and at least 60 percent of the members of the governing body must vote in favor of the ordinance, resolution, or order. For a school district, the vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the no-new-revenue maintenance and operations tax rate of the district as determined under Section 26.08(i) and the district's current debt rate must be a record vote, and at least 60 percent of the members of the governing body must vote in favor of the ordinance, resolution, or order. A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue tax rate) percent increase in the tax rate." If the ordinance, resolution, or order sets a

tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the taxing unit that exceeds the amount of taxes imposed for that purpose in the preceding year, the taxing unit must:

(1) include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:

(A) the following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE."; and

(B) if the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."; and

(2) include on the home page of the Internet website of the taxing unit:

(A) the following statement: "(Insert name of taxing unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and

(B) if the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount)."

(c) If the governing body of a taxing unit does not adopt a tax rate before the date required by Subsection (a), the tax rate for the taxing unit for that tax year is the lower of the no-new-revenue tax rate calculated for that tax year or the tax rate adopted by the taxing unit for the preceding tax year. A tax rate established by this subsection is treated as an adopted tax rate. Before the fifth day after the establishment of a tax rate by this subsection, the governing body of the taxing unit must ratify the applicable tax rate in the manner required by Subsection (b).
