To the Tyler County Commissioners Court,

We, Texas Professional Surveying, LLC, have been preparing Caney Pines, a Subdivision in Polk County and Tyler County, on behalf of Drew Slack Management Corp, LLC. We are current writing you this letter in an effort to request a variance for submitting the plat through Tyler County for subdivision review, under, Chapter 11, Subparagraph C, Item 1 of the Tyler County Subdivision Regulations. The property has two existing roads that currently access the property, East Caney Loop and Morrell Road. The largest piece of this property is situated in Polk County. Based on different opinions and maps the county line may vary one way or the other. Lot 5 of the proposed subdivision is apparently affected by the county line and additional regulations would deprive the applicant of reasonable use of the land.

Thank you.
