RE: Senior Nutrition Programs

Dear Mr. Blacksher:

After much thought and careful consideration we regret to inform you that East Texas Support Services, Inc. will not be submitting an RFP for the upcoming contract year for the Senior Nutrition Program we currently administer in Tyler County. Therefore, the last day we will be serving this program will be September 30, 2022.

It has truly been a rewarding privilege to serve the many clients we have had contact with over the years. This is a service we would not have been able to perform without the ongoing support and assistance from Tyler County Commissioners and other officials throughout the years. We thank you for making it possible.

We will do all we can to assist in making a smooth transition to the new contractor(s) and ensure continuity of services to the clients.

Please feel free to contact me if you have any questions at 409-384-8751.

Thank you,

Teresa Janeaux
Executive Director
