National Assisted Living Week *September 11-17, 2022*

Whereas, residents of assisted living communities are active members of the larger community, offering their knowledge, life experiences and involvement; their past contributions continue to be a vital part of Tyler County’s rich history; and their ongoing participation deepens our County’s identity

Whereas, assisted living is a critical long term care option for older adults and individuals with disabilities that fosters choice, dignity and independence; assisted living communities are committed to excellence, innovation and the advancement of person-centered care

Whereas in 1995, the National Center for Assisted Living established National Assisted Living Week to honor the contributions of assisted living communities in providing long term care to America’s seniors and individuals with disabilities

Whereas, this year’s theme of National Assisted Living Week is “Joyful Moments”, highlights the incredible care provided by essential caregivers and the special memories created in assisted living facilities across the country

Whereas, during this special week, assisted living communities across the country are encouraged to organize activities and events which celebrate the dedication of staff, the individuality of residents, and the deep connections formed in these settings, while adhering to COVID-19 safety requirements and precautions

Now, therefore, I Judge Jacques L. Blanchette, do hereby proclaim the week of September 11-17, 2022, as Assisted Living Week in Tyler County. I urge all citizens to virtually visit or call a loved one, family member, or friend residing in any care setting and offer a kind word and spend time participating in various virtual activities to unite those from all walks of life in need of our continuing love and support and to learn more about how assisted living services benefit Tyler County

CONSIDERED AND APPROVED BY THE COUNTY OF TYLER ON this day, the 12th day of **September 2022**.
