**Re: County Historical Commission (CHC) Appointments**

**Dear County Judges and Commissioners,**

CHC appointments are professional commitments to represent the county's interests in preserving historic and cultural heritage. During 2021, CHCs reported having contributed 284,046 hours of service to counties across Texas, which carries a monetary value of \$8.5 million using rates published on [independentsector.org](http://independentsector.org).

This extraordinary contribution is thanks to the dedicated and productive individuals who are appointed by county commissioners courts to serve on your county's CHC. Now is the time to identify potential appointees who will contribute consistently during the 2023–2024 term of service. Consider how your county can benefit from a CHC comprised of experienced and active appointees.

Chapter 318 of the Texas Local Government Code directs county commissioners courts to make CHC appointments in January of odd-numbered years for a two-year term. To ensure a smooth transition between terms, consider approving 2023–2024 appointments by December 31 with a start date of January 1, 2023.

We encourage you to appoint individuals that demonstrate an active interest in preserving historic and cultural resources in your county. CHCs should represent the age range and ethnic diversity of all precincts in your county.

**The enclosed flyers provide supplemental information** on recommended appointee criteria and submitting appointee rosters to our agency as required by state statutes. This information will help you appoint individuals who can assist in efforts to preserve historic resources, encourage heritage tourism, and revitalize communities.

Thank you in advance for sharing CHC appointee contact information for the 2023–2024 term of service.

Texas Local Government Code, Chapter 318, enables county commissioners courts to appoint individuals to serve on county historical commissions (CHC). Section 318.003(d) directs county commissioners courts to provide the Texas Historical Commission (THC) with a list of appointees and their mailing addresses. The information below will help county officials and staff submit accurate information to the THC.

### **Prior to Submitting Appointments**

Before selecting appointees, please verify that potential appointees and those proposed for reappointment are willing and able to serve. Ensuring an active level of commitment is important since many appointees have responsibilities outside the CHC that may require them to change the focus of their service. Please work with CHC appointees to determine preservation activities that the county and appointees feel confident pursuing.

CHCs have resumed indoor and outdoor activities in increasing numbers since the pandemic. To support these efforts, THC staff have provided recommendations for preservation-related work here: [www.thc.texas.gov/thc-recommendations-chcs-2020-interim](http://www.thc.texas.gov/thc-recommendations-chcs-2020-interim). These webpages highlight ongoing CHC projects to demonstrate how appointees continue to preserve and protect resources during this time.

### **Ensuring Accurate Appointee Contact Information**

Please gather the names, physical addresses, phone numbers, and email addresses for CHC appointees and enter the information into the roster template provided here: [www.thc.texas.gov/chc-appointments](http://www.thc.texas.gov/chc-appointments). Submitting appointee information using this Microsoft Excel template enables our agency to merge data from 254 counties, creating a mass mailing list to promote opportunities and services that contribute to the livelihood of your CHC.

### **Submitting 2023-2024 CHC Appointee Rosters**

Please ask county staff to complete the CHC appointee roster template noted above in Microsoft Excel and email the roster to CHC Outreach Specialist, Jaclyn Zapata- (512) 475-2692, [jaclyn.zapata@thc.texas.gov](mailto:jaclyn.zapata@thc.texas.gov).

Texas Local Government Code, Chapter 318, enables county commissioners courts to appoint individuals to serve on county historical commissions (CHC). Visit the following webpage to reference a record copy of these statutes: [www.statutes.capitol.texas.gov/Docs/LG/htm/LG.318.htm](http://www.statutes.capitol.texas.gov/Docs/LG/htm/LG.318.htm). The statutes provide minimal direction for appointment methodology and appointee criteria. This flyer comments on both issues in response to county official inquiries.

### Statutory Directives for CHC Composition

- CHC must be composed of at least 7 county residents; statutes do not include a maximum number of appointees.
- Appointees serve a two-year term, ideally beginning in January of odd-numbered years.
- Appointees must broadly reflect the age, ethnic, and geographic diversity of the county.
- Appointees must have an interest in historic preservation and an understanding of local history and resources.

### Appointment Methodology

Statutes do not address the exact methodology for appointing CHCs. Our research shows that this process varies somewhat from county to county. Some county officials interview individuals seeking the appointment and others accept recommendations from existing CHC appointees. Whatever method your county selects, please consider the following recommendations prior to appointment. Applying statutory criteria along with our recommended criteria ensures that appointees are active, work well with others, and leave a positive impression with the public.

### Recommended Appointee Criteria

Please appoint individuals who can contribute in a variety of ways. If possible, appoint individuals who have Internet access (home, CHC office, or public hub), can leave home to perform site visits, and will maintain a positive attitude. Appointees should be able to meet the following recommended criteria.

- Able and committed to attend full commission meetings; statutes require at least 4 meetings per year.
- Able and willing to volunteer time to plan and manage projects, programs, and events.
- Able to receive/respond to public inquiries about county historic resources in a timely manner.
- Able and willing to attend preservation education opportunities outside of their county.
- Able to provide site visits to historic properties within the county to update property inventories and provide current information on site conditions to THC staff.
