RE: 2024 Local Government Assistance Program

Dear Judge Powers:

The Texas Department of Transportation (TxDOT) provides materials to the counties every year through the Local Government Assistance Program (**TAC Title 43, Part 1, Chapter 29, Subchapter A, Rule §29.3**). The rules for this program were established based on Transportation Code §201.706, Local Government Assistance in 1997, which requires TxDOT to provide materials to the counties to assist in repairing and maintaining county roads damaged by the impact of the 2060 Weight Tolerance permits.

This legislation requires that at least \$6,000,000 worth of materials be provided each year to counties in the state, which should be primarily satisfied by surplus materials. New material may be purchased only if surplus material is unavailable or if haulage costs are prohibitive. TxDOT has an adequate supply of surplus material that will be available to your county this year; therefore, it will not be necessary to purchase materials to fulfill the commitment.

**Program Allocation Method**

- 65% is based on the county's percentage of statewide Weight Tolerance permits
- 20% is based on the county's percentage of statewide county road vehicle miles
- 15% is based on the county's percentage of statewide lane miles of county roads

**The allocated value of materials for Tyler County for FY 2024 is \$18,029.** TxDOT has several items available to the county, including RAP (reclaimed asphaltic pavement), and other materials noted on the attached Material Request form. The materials are located at US 287 @ FM 256 East in Tyler County and at SH 63 @ FM 776 and the Jasper Maintenance Office yard in Jasper County.

Please complete the attached form with the quantity assigned to each precinct and return within 45 days to serve as the county's written request for the material.

When we receive the signed form, TxDOT will notify the commissioners to begin hauling material. The precincts are required to provide haul tickets detailing the number of cubic yards or items received for each load. The tickets should be mailed or hand delivered to the Woodville Maintenance Supervisor, Jay Castleberry's at 807 Pine Street (US 287), Woodville, TX 75979. He may be reached at (409) 283-2451 to discuss the arrangements.

OUR VALUES: *People • Accountability • Trust • Honesty*  
OUR MISSION: *Connecting You With Texas*

An Equal Opportunity Employer

The Honorable Milton Powers
