HOUSING REHABILITATION OR RECONSTRUCTION ASSISTANCE:

- (1) The housing rehabilitation or reconstruction assistance provided by Subrecipient shall be in the form of a five-year deferred payment loan (DPL), at zero interest. Provided all terms and conditions under which the assistance was provided continue to be fulfilled, the DPL will be forgiven at a rate of 20 percent per year, effective on the anniversary date of completion of the Project, evidenced by the date of the Certificate of Final Completion or Final Completion Form.
- (2) The full amount of the assistance provided shall be secured by a fully executed promissory note and Deed of Trust (DOT) filed against the property and recorded in the land records of each applicable county. The DPL may be in a first position (no existing indebtedness) or in a second position, subject or inferior only to an existing first mortgage.

Attachment E:

Page 5 of 5

(3) If the homeowner occupies the home for the full five-year term, the note expires and no repayment is required, nor will any conditions be imposed relative to the disposition of the property. If any of the terms and conditions under which the assistance was provided are breached or if the property is sold, leased, transferred or vacated by the homeowner for any consecutive thirty (30) day period during the five-year lien term, the repayment provisions of the promissory note and DOT shall be enforced.

(4) If, during the five-year lien term, the homeowner vacates the unit for any consecutive thirty (30) day period, the locality may forgive, as evidenced by city council or commissioner court action, the remaining loan balance. Prior to forgiveness of all or any portion of the assistance provided, the request for forgiveness must be approved by the local governing body and be based on documented and justifiable conditions or circumstances that would result in an unnecessary hardship to the homeowner and the determination that the national objective of benefiting low to moderate-income persons was met.

(5) The national objective will be considered met only when the city council or county commissioners court determines that a low to moderate-income person has occupied the rehabilitated or reconstructed home for a time sufficient to meet the national objective. Subrecipient is liable for repayment of an amount equal to the difference in the appraised value of the home prior to reconstruction and the sales price when the home is sold during the term of the five-year forgivable loan, if the national objective was not achieved.

(6) If the property is sold or transferred to a person other than an eligible LMI person, the remaining pro-rated balance of the DPL must be repaid by the Subrecipient from the sales proceeds. Notwithstanding the preceding, Subrecipient shall be held liable for any balance remaining over and above the sales proceeds. In all instances, upon completion of the five-year occupancy or repayment of the assistance (in full or in part), the Subrecipient shall prepare and record a release of lien document in the land records of the applicable county.

(7) In instances where another occupant proposes to occupy a previously assisted unit, the locality must document that the new applicant is income eligible and has been informed of the terms and conditions under which the assistance is being provided. The new homeowner(s) must acknowledge, in writing, that they have been informed of these terms and conditions and that they are subject to all of the provisions for the full remaining term of the DPL.

N. COASTAL MANAGEMENT

Subrecipient acknowledges and agrees that any Project that may impact a Coastal Natural Resource Area must be consistent with the goals and policies of the Texas Coastal Management Program as described in 31 Texas Administrative Code, Part 16, Chapter 501.
