I, Shay Dozier, resign my secretary position on ESD #2 Tyler County effective 6/28.24. It is with great sadness that I do this but with the toxic environment of the FD members towards the ESD board, it is not a workable situation. I encourage a higher level of introjection to be implemented or at least an outside board to be assigned. Thank you for the opportunity.

Thank you,

Buck Hudson and Commissioner's Court

It has been a pleasure to serve the Spurger Community as an ESD #2 Board Member and current President for the past 6 years. It is with a heavy heart that I make you aware of my resignation as President and Commissioner of the ESD #2. It has always been a great relationship with other commissioners and the members of the Spurger Volunteer Fire Department until recently. As a resident of the ESD #2, I pray that things get straightened out and everyone can be focused on what the true mission is for Spurger, emergency services.

Sincerely,

Raymond H. Wooten

Charles Hudson

Tyler County Commissioner Pct. 4

This letter represents my official notice of resignation from my position of Treasurer with ESD #2 be made final on the day 06-28-24

It has been with pleasure to be alongside the individuals at ESD # 2, and I will always appreciate the experience and knowledge. I gained during my time here. The reason for my departure is because of the Spurger Vol. Fire Department Members acting like a bunch of Children and no respect for the ESD # 2 Board of Directors. They say that the ESD Board is not part of the Spurger Vol Fire Department.

I hope the notice period is enough for you.

Sincerely,  
  
Henry E. Sawyer Jr.
