RE: FY 2025 Local Government Assistance Program

Dear Judge Powers:

The Texas Department of Transportation (TxDOT) provides materials to the counties every year through the Local Government Assistance Program (**TAC Title 43, Part 1, Chapter 29, Subchapter A, Rule §29.3**). The rules for this program were established based on Transportation Code §201.706, Local Government Assistance in 1997, which requires TxDOT to provide materials to the counties to assist in repairing and maintaining county roads damaged by the impact of the 2060 Weight Tolerance permits.

This legislation requires that at least \$6,000,000 worth of materials be provided each year to counties in the state, which should be primarily satisfied by surplus materials. New material may be purchased only if surplus material is unavailable or if haulage costs are prohibitive. TxDOT has an adequate supply of surplus material that will be available to your county this year; therefore, it will not be necessary to purchase materials to fulfill the commitment.

Program Allocation Method

- 65% is based on the county's percentage of statewide Weight Tolerance permits
- 20% is based on the county's percentage of statewide county road vehicle miles
- 15% is based on the county's percentage of statewide lane miles of county roads

The allocated value of materials for Tyler County for FY 2025 is \$18,071. TxDOT will provide **904 cubic yards** of Type A RAP (reclaimed asphaltic pavement) valued at \$20/CY to fulfill the county's allotment. The materials are located at US90 @ FM365 in Jefferson County.

Please complete the attached form and return within 45 days to serve as the county's written request for the material.

When we receive the signed form, TxDOT will notify the county to begin hauling material. **Please do not begin hauling the material until you are contacted by TxDOT.**

The county is required to provide haul tickets detailing the number of cubic yards for each load. The tickets should be mailed, or delivered to the Beaumont Maintenance Supervisor, Fred Miller at 8450 Eastex Frwy, Beaumont TX 77708. He may be reached at (409) 924-6537 to discuss the arrangements.

All material must be received by Tyler County prior to March 31, 2025.

OUR VALUES: People • Accountability • Trust • Honesty
OUR MISSION: Connecting You With Texas

An Equal Opportunity Employer

If modification to the agreement or additional information is needed, please feel free to contact me at (409) 898-5742 or Adria Stephen at (409) 898-5787.

Sincerely,
