SHARP

COLOR AND MONOCHROME PRINTERS

simply smarter

BP-B550PW
BP-C545PW

Powerful and versatile printing

Enhance security and optimize productivity.

The BP-B550PW and BP-C545PW color and monochrome printers combine **security features**, **seamless application integration**, and an improved user interface to deliver cutting edge technology. These features not only help protect your intellectual property with robust security measures but also enhance convenience through direct printing from Microsoft Office.

Easy-to-use Touchscreen

The 7" (diagonal) color customizable touchscreen display delivers enhanced user experiences consistent with larger Sharp devices. Easy User Interface (UI) mode offers users quick access to frequently used settings and functions.

Synappx Manage Integration*

To help increase efficiency in office operations and add convenience, IT managers can utilize Synappx Manage to remotely monitor and automate device management, and access cloud services in a safe and secure way.

Leading Security

Help protect endpoint devices from threats with industry leading security features such as remote firmware updates, optional virus detection kit, allowlisting and more.

High Efficiency Output

Designed to meet the needs of businesses, the BP-B550PW and BP-C545PW printers are high efficiency, high volume, high quality document systems ideal for streamlining performance and operations. The BP-B550PW monochrome printer prints up to 50 pages per minute and has a maximum paper capacity of 2,350 sheets. Likewise, the BP-C545PW color printer prints up to 45 pages per minute and also has a maximum paper capacity of 2,350 sheets. These characteristics and specifications make these printers a versatile choice for any organization.

Enhanced productivity and efficiency

Adaptable and customizable user interface.

One-touch access

Intuitive user interface

Multi-layered security

7" (diagonally measured) customizable touchscreen display.

Seamless mobile connectivity for touchless operation.
(BP-C545PW shown)

Fast, On-the-Go Mobile Device Integration

Seamless, secure and reliable connectivity.

Print with Popular Mobile Technologies

These versatile printers support Apple AirPrint, Sharp Print Service Plugin plus Microsoft Word, Excel, Powerpoint files and more.

Device Management

Sharp Remote Device Manager* (SRDM) and Synappx Manage provide administrators centralized control of networked printers and multifunction printers which allow limited remote access during system setup, security setting, troubleshooting, usage and status monitoring.

Protect Intellectual Property

Security features like standard data encryption and boot verification, help **your information stay protected**, whether it's in a document, on the device, or transmitted over the network.

Synappx Manage

Simplify remote document management with the Synappx Manage app and unlock its full potential including print release, by upgrading to the subscription version.

*Some features of SRDM are not available.

Smart · Connected · Secure

Merging technology and functionality

Versatile printers designed to elevate productivity.

BP-B550PW
MONOCHROME PRINTER

Mobile Operation
Print with the Synappx Manage app.

Smart Touchscreen
Tablet-style menu on 7" screen provides quick and easy access to features and functions.

AirPrint Compatible
For printing on the go.

Easy Access to Cloud Services
Print documents to popular cloud services.

Device Management
Synappx Manage and Sharp Remote Device Manager (SRDM) give administrators control of their networked printers.
