September 22, 2026

To Honorable Milton Powers and County Commissioners of Tyler County,

After 30 years of dedicated county service, with 18 years of them being Pct 3 County Commissioner, I am officially announcing my retirement as of September 30, 2026.

It has been an honor and privilege to serve our county and work on behalf of its residents. I am deeply grateful for the trust, support, and friendships I have received throughout the years. Together, we have navigated numerous challenges and achieved significant milestones seen and unseen.

I want to express my sincere gratitude to my colleagues and all county staff for their dedication and partnership over the years. Your hard work made my tenure possible and rewarding.

As I move into this next chapter, I look forward to watching Tyler County continue to grow and prosper. Once again, thank you for allowing me the opportunity to serve one of the most beautiful counties in Texas. I wish our county continued success in the years ahead.

Respectfully,

Mike Marshall, Tyler County Pct. 3 Commissioner
