2026 County Technology Conference

The 2026 County Technology Conference is essential to empowering your county with information about technology and resources. It will offer attendees critical information about the biggest tech and cybersecurity issues facing counties today. The conference will also offer opportunities for you to meet with your county colleagues and learn how other counties tackle technology risks and challenges.

Join us in person or online as we continue to explore new ways to share important information with you and your county.

NOTE: In-person attendees must register by Sept. 6 to receive a conference giveaway.

TAC is committed to creating a respectful, safe, and welcoming environment for all participants. We ask everyone attending conferences and events to act with integrity and uphold the values of the "TAC Way." Click here to read TAC's Community Standards.
